AFFLICTED AND UNFORTUNATE.

No matter what your disease, let no false delicacy prevent you from immediately consulting Dr. Vellny, who is acknowledged to be by far the most SUCCESSFUL PHYSICIAN in the treatment of private diseases. Do not let false shame and pride keep you from making known your misfortunes, but he will speedily restore you to your way rejoicing.

SELF-ABUSE.

What young man, the thoughtless victim of youthful indulgence, which generally destroys the generative organs, and ruins the prospects of life, producing weakness of the back and limbs, loss of animation and muscular power, palpitation of the heart, nervous irritability, loss of memory, nocturnal emissions, bad dreams, aversion to society, confusion of ideas, insanity, consumption, and death.

YOUNG MAN, in view of the dreadful consequences, delay not to make your case known to Dr. V. Your secrets with him are sacred, and you may confidently rely upon his medical skill.

Thousands of broken systems were shattered and were a prey to the tomb or grave, has he brought back to health by his skillful treatment.

MARRIAGE.

Married persons, or those contemplating matrimony, who suspect themselves of impotency, seminal weakness, or any disease arising from a relaxed state of the genital organs, whether the result of youthful indiscretion or indulgence of the passions in riper years, are earnestly entreated to make themselves under his care. They can rely with certainty upon a speedy cure and full vigor restored.

He treats with entire success all diseases of females, such as LEUCORRHŒA or WHITES, LAPSUS UTERI, AMENORRHŒA, or suppressed menstruation, painful menstruation, and all other diseases of the sexual organs, whether arising from a relaxed state of the general system, or the effects of youthful indiscretion, or the excessive use of the marriage bed, or any other cause, they may be sure of a speedy cure.

PERSONS RESIDING AT A DISTANCE may be cured by MEDICINES SENT BY EXPRESS, with full directions for their use. Many cases of long standing are cured by this method of treating, without the patient ever seeing the Doctor. Many cures have been effected by him in Washington, Baltimore, Philadelphia, and other cities, in the short space of from one to three weeks, who had been under the care of other physicians for months, and even years, without receiving any benefit. Many who have been deceived by the promises of other pretending advertisers, who have ruined their constitutions by their mercurial nostrums, and who have given up in despair, should now place themselves under the care of Dr. V. and be cured of their sufferings.

PERSONS WRITING FOR INFORMATION should inclose a stamp, and should write plainly the name and place of residence, and state how long they have been afflicted, and whether they have received the advice of any other physician, and what has been the nature of the treatment received from other physicians, and what medicine, if any, they have taken for the disease of which they complain, and the nature of the discharge, if any, and the color, consistence, and quantity of the secretions, and if there be any pain in any part of the body, and if any, what part, and if any, what kind of pain, and if any, what kind of business they follow, and if married or single, and if married, how long married, and if married, how long married, and if married, how long married
