BY AUTHORITY.

PROCLAMATION!

KAMEHAMEHA III., KING OF THE HAWAIIAN ISLANDS.

BE IT KNOWN, to all whom it may concern, that we Kamehameha III., King of the Hawaiian Islands, hereby proclaim our entire neutrality in the war now impending between the great maritime powers of Europe; that our neutrality is to be respected by all belligerents, to the full extent of our jurisdiction, which by our fundamental laws is to the distance of one marine league, surrounding each of our islands of Hawaii, Maui, Kahoolawe, Lanai, Molokai, Oahu, Kauai and Nihau, commencing at low water mark on each of the respective coasts of said islands; and includes all the channels passing between and dividing said islands, from island to island; that all captures and seizures made within our said jurisdiction are unlawful; and that the protection and hospitality of our ports, harbors and roads, shall be equally extended to all the belligerents, so long as they respect our neutrality.

And be it further known, to all whom it may concern, that we hereby strictly prohibit all our subjects, and all who reside within our jurisdiction, from engaging either directly or indirectly in privateering against the shipping or commerce of any of the belligerents, under the penalty of being treated and punished as pirates.

Done at our Palace of Honolulu, this 16th day of May, 1854.

Copy of a Resolution passed by the King and Privy Council on the 15th of June, 1854:—

Resolved, That in the ports of this Neutral Kingdom, the privilege of *Asylum* is extended equally and impartially to all armed National vessels and prizes made by such vessels of the belligerents, but no authority can be delegated by any of the belligerents to try and declare lawful such prizes, and transfer the property thereof, within the King's jurisdiction; nor can the King's Tribunals exercise any such jurisdiction except in cases where His Majesty's Neutral Jurisdiction and sovereignty may have been violated by the capture of any vessel within the bounds of that jurisdiction.

By Order of the King and Privy Council,
Palace, June 15th, 1854.
R. C. WYLLIE,
Secretary *pro tem.*

Copy of a Resolution passed by the King and Privy Council, this 17th day of July, 1854.

Resolved, that by the words *Armed National Vessels and Prizes*, in the Resolution of the 15th June, are meant only vessels regularly organized and commissioned on National Account, and what prizes they may make; and that that Resolution does not extend the privilege of *Asylum* in the ports of this Kingdom to vessels armed, on private account, or to the prizes taken by them, whatever may be the flag under which such vessels may sail: Therefore all privateers and prizes made by them are hereby prohibited from entering the ports of this Kingdom, unless in such circumstances of distress that their exclusion would involve a sacrifice of life, and then, only under special permission from the King, after proof to His Majesty's satisfaction, of such circumstances of distress.

By order of Privy Council, July 17, 1854.
LORRIN ANDREWS, Secretary.

MILITARY NOTICE.

PROCLAMATION.

WHEREAS, It has come to my knowledge from the highest official sources, that my Government has been recently threatened with overthrow by lawless violence; and whereas the representatives at my Court, of the United States, Great Britain and France, being cognizant of these threats, have offered me the prompt assistance of the Naval forces of their respective countries, I hereby publicly proclaim my acceptance of the aid thus proffered in support of my Sovereignty. My independence is more firmly established than ever before.

THE FINEST CHANCE YET!

FOR A

FARMER OR COUNTRY RESIDENT.

THE PUMALEI ESTATE, TO BE LET FOR A term of years! Pumalei is situated on the beautiful and fertile land of East Maui, immediately adjoining Makawao and Halimaile. It is unnecessary to speak of the advantages of this region, celebrated throughout the group for the teeming products of its soil, its delightful scenery, and most *salubrious* climate. Here the refreshing showers preserve the unfading greenness of the tropics, and the perennial song of the birds adds another charm to the beauties of nature.

Pumalei comprises about 330 acres of the choicest land, and is almost a level area. It is just pleasingly diversified by a slight and graceful eminence.—Fertile ravines, with unfailing springs, border it upon two sides. Many of the productions of the temperate zone, and the tropics, grow here in great perfection. Among others may be mentioned sugar cane wheat, corn, oats, beans, melons, and a variety of garden vegetables. The fruits are oranges, citrons, bananas, figs, guavas, pine-apples, and peaches. There is a fine framed dwelling-house upon the estate, commanding a magnificent prospect, and well located both for social purposes and for business. It is one and a half stories high, contains 9 convenient rooms, has suitable outbuildings, and has been built only about 3 1-2 years.

Kahului harbor is twelve miles distant, and directly connected by an excellent road. A good road also runs to Mariko Landing, about 4 miles distant.

The social advantages of the locality are considerable, there being several estimable families in the neighborhood.

The undersigned will be happy to answer any inquiries concerning this estate, and will rent it upon very favorable terms. J. HARDY.
