One of the Triumphs of Modern Surgery.—By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in one-third the time required by the old treatment. This is one of the greatest discoveries and triumphs of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by all dealers. Why The U. S. Machine Is The Best—

BECAUSE

It is the only Rotary Washer that has revolving steel ball gearing, reducing the friction and thus making machine so light running and almost noiseless.

The gear wheel turns right or left, the pin wheel or dasher reverses automatically, turning the clothes back and forth through the hot soap suds and cleaning them WITHOUT RUBBING THEM TO PIECES.

Over One Hundred Thousand in use.
