Comparatively No Inquiry for Wheat for Export Purposes.

The Barley Sample Market Unsettled at Irregular Prices—The Oat Market Weak.

SAN FRANCISCO, May 28th.

The Wheat market still lacks animation, there being comparatively no inquiry for export purposes and but small demand for milling use. No. 1 shipping Wheat is not quotable over 87½c ₱ ctl as a top figure, while 95c @$1 02½ will represent the range at which milling parcels change ownership.

The sample market in Barley is unsettled at irregular prices. Nobody is inclined to buy, and sales have to be forced if holders are determined to realize. This morning 91¼c was the figure at which some bright feed Barley was parted with, while less desirable stock could probably have been had as low as 87½c ₱ ctl. Sales of brewing Barley were reported at $1 07½, being a full figure for a choice article.

The Oat market is weak and prices have downward tendency.

The Vegetable market was dull to-day. The receipts were 60 boxes Squash, 80 boxes Cucumbers, 80 boxes Beans. Onions are weak.

The receipts of fresh Fruit were 411 chests of Strawberries, 6 chests of Gooseberries, 1 of Peaches, one of Plums, 7 boxes Apples and 77,883 pounds of Cherries. The Berry market was dull.

The Butter market rules weak, with heavy stocks on hand. Eggs are still over-plentiful and prices have a lower tendency. Cheese is lower. The Poultry market is dull, with heavy stocks on hand.

Preferred to Wait.

"How did they get in?" asked the Sergeant.

"Dunno, sah."

"Did you see or heat 'em?"

"No, sah. Jest went right to bed and slept like a lamb all night."

"How do you know that burglars got in?"

"Why, my money was gone the next mawnin', of co'se. If burglars didn't get in how dat money walk off?"

"How much did you lose and where was it hidden?"

"I losted a $2 bill, and I put it under my piller when I went to bed."

"Was your husband surprised?"

"No, sah. He dun said he'd bin 'spectin' burglars fur ten y'ars."

"Do you want to surprise him? If so, stop this way. I have him locked up here for being drunk, and I have a dollar and a half of your stolen money. Perhaps he's sobered up a little."

"Say, Gineral, you needn't bodder wid him jest now. I kin wait."

"Don't you want to surprise him?"

"Not heah and now. He'll probably be home in a day or two, an' then I'll hev de ax an' de shovel an' a hoe handle an' a baseball club in de house an' ready fur bizness, an' I'll s'prise dat pusson till he won't be able to lift a whitewash pail fur at least de next two weeks! FOR 8 CENTS PER NUMBER.

The RECORD-UNION and WEEKLY UNION have opposed the coupon business by which newspapers sell prints and books to subscribers, apparently to the great advantage of the latter, but really at an enormous profit to the former. It holds such schemes to be unfair to the people and unjournalistic.

We are now prepared to prove the faith that is in us. We will furnish you at cost HARPER'S LARGE QUARTO SPLENDID HISTORY OF THE AMERICAN CIVIL WAR, a work that sold in book form for $16. We present this work of 832 quarto pages, finely printed on good paper, in neat paper covers, illuminated by 1,000 ENGRAVINGS of the most spirited character to every subscriber for exactly what it costs us, 8 CENTS A NUMBER, postpaid, and we bear all the expense of handling, mailing, correspondence, etc.

There are 26 numbers in the History of 32 pages each, the size of "Harper's Weekly," and we will deliver the entire 26 numbers for $2 08—

All city subscribers can procure them at our counter. No one but a subscriber to the DAILY RECORD-UNION or WEEKLY UNION can get it at the price offered.

It is now nearly 30 years since the war closed. The younger generation has a deep interest reading a reliable, graphic, beautifully illustrated history of the most gigantic struggle of all time. The older generation needs such a history, now that the fever, passion and prejudice of that fateful time has passed away. The price brings the History within the reach of the poorest in the land. Remember, no coupon, no profit made on you. FOR 8 CENTS PER NUMBER you get a reliable history of the great civil war, a work of historical value, of great educational importance to the rising generation, of pictorial attractiveness and ever-living interest.
