THE FRENCH LUCINA CORDIAL!

[illegible]

DR. MULLEN calls the attention of those afflicted with any of the forms of a certain disease to his general and entire success in similar cases. The treatment adopted by him is that which has the sanction of the most distinguished Surgeons of Paris, London and New York; and the universal success has proved beyond a doubt that a permanent cure for the most obstinate case of gleet, or gonorrhœa, may be effected in a few days.
