DALLEY'S MAGICAL PAIN EXTRACTOR.

The Original and Only Genuine.

NO COMPETITOR

Has ever been the recipient of the patronage of the nobility of this country.—At most this we say of no other preparation whatever, because, depending on its application, new discoveries—as it is a comparatively new, and very recent fact, are known only from time to time, as the public has been the witness of Mr. HENRY DALLEY, owner, and inventor of the Pain Extractor, to be in possession. It is found called to remove almost every disease to which frame of man is subject. Let us enumerate some of better qualities of this remedy:

First—It will, while the sufferer has the medicine on, cause the pain from the severest BURNS, SCALDS, or SLAPPERS. It will also remove the pain and cure GOUT, TIC-DOLOREUX, RUM, RHEUMATISM, SORES or SWELLINGS.

Secondly—In cases of BURNS, if applied immediately, it will prevent the pain from the severest BURNS, SCALDS, or SLAPPERS. It will also remove the pain and cure GOUT, TIC-DOLOREUX, RUM, RHEUMATISM, SORES or SWELLINGS.
