FIRE & MARINE INSURANCE.

"If there be safety only in good security—in order to be secure we must be safely Insured."

WHEN we hear of our friends loosing their property by fire, or that the vessel on which they have made shipment of Produce or Merchandize is lost, the first question we ask is 'were you insured?' Now if we feel such an interest in the welfare of our friends, how can any one risk the dangers that are continually surrounding his own property without being able at any time to answer the question if put to himself, "Yes I am Insured."

The Camden Insurance Company of New Jersey, well make insurance on Buildings, Household furniture and Merchandize of all kinds—also upon shipment of Produce and Mercnadize, on boad of Steam Boats, Sailing Vessels, Canal, Keel and Flat Boats, at a fair valuation and at reasonable rates of Premium, and, in case of loss, as soon as the claim can be properly adjusted—pay over the same.

HEMORRHOIDS OR PILES,
INTERNAL OR EXTERNAL, PERMANENTLY CURED BY
Dr. Upham's Vegetable Electuary.
An Internal Remedy, which if used according to directions, a cure for life is guaranteed.
SYMPTOMS OF THE DISEASE.

A common consequence of this affection is a kind of tenesmus, or bearing down sensation, as it is familiarly called; there is also heat, tension and throbbing in the part, varying from a moderate degree of these sensations to the most excruciating suffering;—these are caused by the great flow of blood to the parts. Sometimes the inner coat of the bowels protrudes at every evacuation, forming what is called Prolapsus, or falling of the bowels; this is the effect of long continued irritation and weakness of that organ. In some instances the patient experiences nervous pains, which are indiscribable, and known only to the sufferer, which commence immediately after an evacuation, and continue from thirty minutes to several hours; these sensations are very annoying and sometimes very distressing. This disease, when of long continuance, is attended by pain and weakness in the back, irritation of the kidneys and bladder, and other organs in the vicinity, pain and numbness in the legs and feet, a sense of straitness about the chest, and unnatural fulness of the abdominal viscera, accompanied with palpitation of the heart and oppression. Individuals sometimes experience, previous to an attack of the Piles, symptoms denoting great derangement in the circulation; there is a sense of weight and pressure in the abdomen, with a peculiar feeling of uneasiness in the bowels, constipation or perinæum, attended with pain in the back and loins, nausea, and slight pains in the stomach, pale countenance, confused sensations in the head, weariness, and irritable and discontented state of the mind, and a sense of fulness and oppression in the region of the stomach. The circulation on the surface is feeble, and the current of blood determined inward and downward.

☞All the above diseases and complaints, DR. UPHAM'S VEGETABLE ELECTUARY *cures effectually*, and therefore prevents Piles.

READ THE TESTIMONY.

HUDSON, December 11, 1846.

GENTS—I have used Dr. Upham's Vegetable File Electuary which I purchased of you, and find it one of the best medicines in use for the Piles, and also for all billious affections, arising from an impure state of the system
Yours, &c, E. A. COLE, Marble Dealer.

U. S. MARSHALL'S OFFICE,
NEW YORK, December 6, 1847.

Messrs. Gentlemen:—Understanding that you are the general agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of Piles, I have deemed it my duty to volanteer a recommendation in behalf of that invaluable medicine I have been afflicted for many years with piles, and have tried various remedies, but with no beneficial effects—indeed, I began to consider my case entirely hopeless. But about the 1st of September last prevailed upon by a friend to make a trial of the above named medicine. I took his advice and rejoice to say I am not only relieved, but as I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

Very respectfully, your obedient servant,
ELY MOORE.

REMARKABLE CURE OF PILES—THIRTY YEARS STANDING.

MOUNT WASHINGTON, BERKSHIRE Co.,
Massachusetts, Nov. 29, 1847.

Messrs. KETCHUM & HENSHAW—Gents:—For thirty years I have been afflicted with piles, general debility and inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed, unable to help myself, and at last given up by my physicians and friends it, despair of ever gaining my health; in fact for three days before I commenced using Dr. Upham's Electuary. I was entirely speechless and my burial clothes were made. But under Providence, and the use of Dr. Upham's Electuary, though an OLD MAN, I have the pleasure of stating the FACT to the public that my health is now good, and hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond all expectations of all that knew my case, and I can only say to others that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure in every case.
Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

EGRAVONT, Berk Co., Mass., Nov. 29, 1847.

The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully endorse.
