Mississippi Democratic.

JACKSON, MISS., Nov. 8.—Indications at midnight are that the democrats have elected their candidates for congress in every district of the state. Cleveland's plurality will be about 11,000. The election passed off quietly and a heavy vote was cast.

RICHMOND, VA., Nov. 8.—Returns from all parts of the state show a democratic gain of about 1,200 over 1888.

THE EMPEROR'S HAREM.

"139 Unfortunates Held Captive in the Palace at Pekin."

The "Palace of Earth's Repose" is where the Empress of China holds her court and rules over the imperial harem, whose only glimpse of the outside world is what they can see in the imperial flower-garden. The present young emperor, in addition to his seven lawful concubines, has already no less than one hundred and thirty others in his harem.—H. O'Shea's article, in the *Illustrated American*. Such is the life of the most highly favored of Chinese women—prisoners within the palace walls they eke out an existence in real slavery. American women know no slavery but that which depends on themselves. Sometimes they are overworked, "run-down," weak and ailing—then is the time to turn to the right medicine. The one who takes Dr. Pierce's Favorite Prescription emancipates herself from her weakness and becomes a stronger and a happier woman—more than that—a healthy one. For all the weaknesses and ailments peculiar to womanhood, "Favorite Prescription" is a positive remedy. And because it's a certain remedy, it's made a guaranteed one. If it fails to benefit or cure, in any case, you get your money back. Can you ask more?

AT REPUBLICAN HEADQUARTERS.

How the News was Received by the Leaders.

NEW YORK, Nov. 8.—Around the republican national committee headquarters was a wild, yelling, horn-blowing crowd of enthusiasts who hailed every message which showed republican gains with screams of delight. As fast as the returns came pouring in they were thrown on a huge white canvas screen across the street.

Chairman Carter locked himself in his office on the third floor, and there, with several prominent republicans, received the returns. The strain while waiting for news was something enormous, but the time passed quickly in the relation of stories of the campaign.

The first news was from the city, and showed Harrison was running well. This was received with yells of delight.

After half an hour's comparative lull, the gratifying news was received from Chemung county, the home of J. Sloat Fassett and Senator Hill, that the republicans had made a gain of 1120 over the vote of 1888, but when at 10:05 the announcement was made that Indiana had gone republican by 10,000 majority, the enthusiasm knew no bounds. The crowd by this time were wild at the good news announced. From some men who crowded their way through the mass of yelling, singing enthusiasm, it was learned that the same enthusiasm was existing down town among the democrats; but naturally the news was discredited among the men who were almost to the man, republican. As the reports continued to arrive saying that state after state was falling into line for Harrison the crowd became more and more demonstrative.

At 10:35 o'clock the announcement was made that Chairman Carter did not concede the state of New York. He sent a message to President Harrison saying: "We have them dead." A little later he sent word down to the waiting crowd from his nest on the third floor that his cry was "Ben, Ben, Ben Harrison." The crowd took up the cry and gave it with a will. At 10:40 o'clock Col. H. L. Swords sent word down stairs that they did not give up New York to the democrats by any means. That, of course, was in accord with the prevailing feeling. They were claiming everything and to show their happiness the crowd sang campaign songs between the times of announcement.

DON M. CHIRPS

And Sings About the Great Success in Michigan.

DEMOCRATIC NATIONAL HEADQUARTERS, NEW YORK, Nov. 9.—Don M. Dickinson, chairman of the democratic campaign committee, said at 1 a. m.: "We do not desire to boast of the result. The grand result speaks for itself. It shows that the producers of the country have determined that they shall be no longer burdened by excessive taxation for the benefit of great monopolies, and are determined to uphold local rights against the abuse of centralized power. In Michigan we have achieved a great success in electing a governor and seven presidential electors. The uprising in the northwest is the most significant sign of the times, but in view of the splendid performance of New York, New Jersey and Connecticut there is nothing sectional about the victory which is a success for sound presidential and economic
