KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and $1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

DR. SCHENCK'S

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

Is the only vegetable substitute for that dangerous mineral, MERCURY, and while its action as a cathartic is fully equal, it possesses none of the perilous effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent Costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Sour Stomach and Biliousness as these

PILLS.

For sale by all Druggists. Price 25 cts. per box; 5 boxes for $1 cts; or sent by mail, postage free, on receipt of price. Dr. J. H. Schenck & Son, Philadelphia.

Heart Failure.

HOW TO AVOID IT.

The epitaph on many a tombstone is "heart failure." No wonder, when we consider the immense strain which is put on that small organ. Marvelous as it is, beating 100,000 times and exerting a force equal to 5,184,000 pounds daily, it has its limit—its endurance often is too severely tested. So common are diseases of the heart—though often for a considerable time without the suspicions of the afflicted person being in the least excited—that it is stated that *one person in four has a bad heart.* Dr. Franklin Miles, of Elkhart, Ind., has for years made a special study of all diseases of the heart, and his remarkable success has made his name a familiar one in all parts of our land. He has found the most common symptoms of heart disease to be *pain, distress* or *tenderness* in the *chest, back, stomach, bowels, left shoulder* and *arm, shortness of breath, smothering spells, fainting,* etc.

Mr. George R. Smith, of Barnes, Yates Co., N. Y., writes:—"Dr. Miles' New Heart Cure *has worked wonderfully on mind and body so I can do a good day's work. I feel ten years younger* and take more interest in affairs. I had shortness of breath, palpitation, pain under left shoulder blade, *pain around the heart, I could not sleep on my right side.* Since I have taken *Dr. Miles' New Heart Cure I sleep well, and have no palpitation.* It has made my *heart stronger.* I wish you could print this, because I want all to know what *Dr. Miles' Heart Cure* has done for me."

"For months my wife suffered with palpitation, *smothering spells,* and was unable to sleep on her left side. She tried several doctors without relief. Your *Heart Cure* was recommended. After taking three bottles, she fully recovered her health. Your medicine do what you claim."—Chas. Overman, Toledo, O.

Dr. Miles' New Cure for the Heart is sold by all druggists on a positive guarantee. It is *safe, agreeable, effective, and does* cure. Dr. Miles Medical Co., Elkhart, Ind.

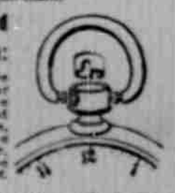
WITHOUT THE

Non-pull-out

BOW (RING)

It is easy to steal or ring watches from the pocket. The thief gets the watch in one hand, the chain in the other and gives a short, quick jerk—the ring slips off the watch stem, and away goes the watch, leaving the victim only the chain.

This idea stopped that little game:



The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the groove, firmly holding the bow to the pendant, so that it cannot be pulled or twisted off.

IS IT AN INTRIGUE?

Carnot Said to Have Put Italy in Financial Straits.

GERMANS HELPED HIM OUT

Significance of Russian Fleet at Toulon—King Humbert Will Irritate France—Frontier Reinforced.

(Copyright by the United Press, 1893.)

BERLIN, Oct. 8.—While Prince Bismarck absorbs popular interest which never tires of the minutest detail regarding him, diplomatical attention has been directed to the financial condition of Italy and the probable effect of this condition on her relations to the triple alliance. Last week the position of the Italian government was so uncertain that a Berlin syndicate hesitated to advance the 40,000,000 marks necessary for the payment of the January coupons.

French intrigue doubtless incited by the Carnot government had suddenly placed the Italian government in an awkward predicament. The Paris bankers with whom Italian rentes were mortgaged for a loan of 45,000,000 francs demanded immediate payment. At about the same time the Italian treasury, although canvassing every financial center of Europe for a projected rente loan of 600,000,000 francs, issued an order making the payment of coupons in gold abroad subject to sworn affidavits and its various formalities evidently designed to delay the delivery of the coin. The Berlin syndicate which had been in negotiation with the Italian government at once drew back and declined to make the desired advance. Everywhere in Europe the rente loan was refused, regardless of terms. The financial deadlock was a most serious political impost when the German government as late as last Thursday intervened to enable Italy to get enough from the Berlin banks for the payment of the next bonds.

Financial Support to Italy.

How far the government has guaranteed its financial support to Italy is not known, but the best informed financiers here believe that this advance is merely preliminary to an Austro-German policy which will give Italy the official support of both governments and make possible for her the negotiation of 600,000,000 francs loan. Both in Vienna and Berlin the governments are believed to approve this course of subsidizing their ally. Such a course will provoke a storm of discontent throughout the empire.

If the desires of the foreign offices here were observed, the Rome government would ignore the demonstration during the visit of the Russian fleet at Toulon and would mimimize the significance of the voyage of the British fleet in Italian waters between October 11 and 31. King Humbert's advisers have, however, chosen the opposite course. They seem to be reckless about irritating France. The semi-official newspapers are circulating mendacious reports as to the English squadron at Genoa and Spezzia, receptions and reviews by the king and crown prince and popular demonstrations all along the coast. The fact is that the Italian government was informed officially that only part of the English Mediterranean squadron would visit the Italian coast. The vessels were to pay only a short call of courtesy at Taranto, the official communication said. The English government wishes even that the Italian squadron shall be prevented from joining the British fleet at Taranto.

Reinforcing the Frontier.

In the same vein with the boasting as to the visit of the English fleet are the announcements in the semi-official press of Italy that the mountain artillery is being reinforced and concentrated on the frontier between Ventimiglia and Susa, that men in the regiments quartered along the frontier are no longer allowed to leave, even though their terms of service have expired and that the Alpine troops are kept on a quasi war footing. It is asked here: "Is this an Italian bluff, or is the condition of the financial position that war, with war subsidies from her allies, is preferred to peace with poverty?"

The home office favors the proposition to present to the city of Chicago the German house now standing on the exposition grounds.

A family of poor peasants named Bock residing in Sachsenhausen, Waldeck, have come into a fortune of $25,000 through the recent death near Syracuse, N. Y., of a relative bearing the same name.

Under Secretary of State Rothenburg, his wife, daughter of William Walter Phelps, former minister to Germany, have gone to a holiday to Baden.

Miss Clemens of St. Louis, daughter of Mrs. General Von Versen, was married to Lieutenant Von Armiter in the presence of a number of American residents of Berlin. The ceremony was performed in the drawing room in the house of General Von Dorsen.

Mental exhaustion and brain fatigue promptly cured by Bromo-Seltzer.

OCLAWAHA, FLA., April 30, 1891.
MESSRS. LUDDEN & BOND, Savannah, Ga.:
DEAR SIRS—I sold three bottles of P. P. P., large size yesterday, and one bottle small size today.

The P. P. P. cured my wife of rheumatism winter before last. It came back on her the past winter and a half bottle, $1.00 size, relieved her again, and she has not had a symptom since.

I sold a bottle of P. P. P. to a friend of mine, one of his turkeys, a small one took sick, and his wife gave it a teaspoonful, that was in the evening, and the little fellow turned over like he was dead, but next morning was up hollowing and well.

Yours respectfully,
J. N. McELROY.
