C. W. WATKINS,
INSURANCE.
323-325 Michigan Trust Company Building.
The losses of property by fire for the year 1893 have been unprecedented, amounting in round numbers to over $14,000,000 per month, or more than $112,000,000 for the eight months ending August 31st.
Presumably insurance companies will suffer to an extent that will compel many of the smaller companies to go out of the business.
Insurers should look to it in these perilous times that their property is insured in safe and reliable companies like the following:

Phenix, Brooklyn	$ 500,000
Fortiton, Boston	1,000,000
London and Lancashire, England	4,000,000
Citizens', N. Y.	1,115,000
