FRIDAY MORNING.....DECEMBER 7

THE Presidential Electors receive a fee of $3.00 per day and mileage from their place of residence to the capital of the State, in payment for their services.

THE Second Congressional District of Wisconsin, C. C. Washburne's, gave Hanchett, the Republican candidate, 15,022 majority.

Stephen Calhoun, Republican, has been elected to serve out the term in Congress of Hon. Israel Washburne who has been elected Governor of Maine.

A HEAVY BUSINESS.—The train from Rockville, yesterday evening, brought down eight car loads of hogs. This road is already doing a heavy business.—*T. H. Express.*

BAPTIZED.—Lewis Bradford, who is confined in our county jail under sentence of death, was baptized in the river yesterday evening, he having professed to have obtained religion.—*T. H. Express, Dec. 3d.*

OF the nearly two hundred electoral votes to given for Mr. Abraham Lincoln, two will be cast by the distinguished American poets William Cullen Bryant and John Greenleaf Whittier.

IF South Carolina, by her legislature or her neglect to legislate, shall cut off all the Northern creditors of her citizens the means of collecting their debts, she will be no better than a robber or a thief.—*Lou. Jour.*

☞ The Albany Evening Journal has proposed that those counties in which fugitive slaves are rescued by violence from officers who have them in charge, shall be liable for the value of the slave thus rescued.

☞ The year 1861 will be the first of the 660th Olympiad. There will be an annular eclipse of the sun on the 11th of January, another on the 7th of July, and a total eclipse on the 31st of December. There will also be a partial eclipse of the moon on the 17th of December.

GEN. LANE OPPOSED TO SECESSION.—A dispatch from Washington, in the New York Times, says Gen. Lane characterizes the movement for secession, for present causes, as unwise and uncalled for, and that all the weight of his influence will be thrown in the opposite scale.

☞ South Carolina avows that she, by her single action, will force Kentucky, Tennessee, Virginia, and Maryland, to go out of the Union whether they will or not. Then what right would she have to complain if they were to force her to stay in the Union whether she would or not.—*Lou. Jour.*

A Washington correspondent of the Philadelphia Press gives the following rumor:

Gov. Corwin, who is here, continues unwearied in his efforts to pour oil upon the troubled waters. He alleges that Lincoln's Administration will command, by its adherence to the Constitution, the respect of conservative men of all sections. It is probable that he will take the floor of the House at an early day next week, for the purpose of allaying, as far as may be, the agitation now prevailing in the Southern mind.

THE ELECTORS.—The Electors of this state met yesterday at the State House, and organized by electing Samuel A. Huff of the Eighth District President, and Cyrus M. Allen of the First Secretary. The certified lists of the electors, which the statute requires the Governor to furnish, were sent in, and the Board adjourned to meet Wednesday when the vote for President and Vice President will be cast. Only eight of the Electors were present yesterday. Will Cumback for the State at large, John W. Ray of the Second, John Hanna of the Seventh, Nelson Trusler of the Fifth, and John H. Farquhar of the Fourth were absent.—*Ind. Jour., 3d.*

A NOVELTY IN RAILROAD TRAVELING.—According to a correspondence which we find in a French provincial paper, the railroad companies in France are about to put into operation a plan which cannot fail of being received with favor by the public. It is proposed to run, each week, a train of cars between distant points, for which tickets can be obtained in advance, and to which the companies will guarantee to admit only a limited number of passengers, four hundred, for example. All the places being occupied, the engine not carrying any "dead weight," to use a technical expression, the traveler can be transported at the price of merchandise; and the companies, not only without any loss, but even with a certain and calculable profit, will apply to these special trains a tariff, the great cheapness of which cannot fail of producing an immense business. By this arrangement the fare is about one-fifth the usual price.—Cannot some such plan be perfected by our railroad companies?

The New American Watch
MADE AT WALTHAM, MASS.

In order to meet the requirements of gentlemen who prefer a thinner Watch than those usually made by us, we have lately issued a new style of Watch on the three-quarter plate model, especially designed for this purpose.

In establishing this new series, it has also been our design to produce a Watch in every way superior to the best and highest priced products of the most reputable of English and Swiss Watch manufacturers; and no labor and expense has been spared to this end.

In all respects of fine and durable material, of external and internal finish, of accurate compensation and adjustment, of mathematically just proportions, and of *practical results*, our new three-quarter plate watch challenges comparison with any in the world.

The following named Gentlemen may be referred to in relation to these Watches:

Hon. H. Hamlin, *Maine*, John G. Saxe, *Vermont*,
N. P. Willis, *New York*, Hon. N. P. Banks, *Mass.*,
Horace Greeley, Frank Leslie,
Cyrus W. Field, *N. Y.*, Wm. H. Cary, *N. Y.*,
Paul Morphy, *New Orleans*, Norman Wiard, *Wis.*,
Dr. J. Marion Sims, Prof. Bartlett, *West Pt'y*,
Lieut. H.A. Wise, *U. S. N.*, Col. W. J. Hardee, *U.S.A.*,
S. I. Prime, D.D., *W'k Pl's*, Wilson G. Hunt, *N. Y.*,
Gen'l G. P. Morris, *N. Y.*, Peter Cooper, *N. Y.*

CAUTION.—As our Watch is now extensively counterfeited by foreign manufacturers, we have to inform the public that no Watch is of our production which is unaccompanied by a certificate of genuineness, bearing the number of the Watch, and signed by our Treasurer, R. E. Robbins, or by our predecessors, Appleton, Tracy & Co.

☞ As these Watches are for sale by jewelers generally throughout the Union, the American Watch company do not solicit orders for single Watches

It is a common observation that there are more sufferers from debility, among Americans, than can be found among any other civilized nation. The reason is obvious. We take too little exercise, and forget the wants of the body in the absorbing pursuits of business. In all such cases, ordinary medicines can do little good. What is required is just such a tonic and invigorator as Dr. J. Hostetter has given to the world, in his Celebrated "Bitters." The weak and nervous denizen of the counting house, the exhausted toiler upon the shop-board, and the prostrated student of the midnight lamp, have found a wonderful regenerator in the Bitters, and prefer it to more pretentious, but less efficacious medicines. But it should not be forgotten that the agent which is so magical in its influence upon a frame which is merely debilitated, is equally powerful in assisting nature to expel the most terrible forms of disease. Who would not give it a trial? Sold by druggists and dealers everywhere. dec1 1wd

Holloway's Pills.—Fever and Ague—The preparations of Quinine and Calomel prescribed by the faculty for this disease, are more destructive in their ravages on the human body than the complaint itself, verifying the old adage—"a remedy worse than the disease." Holloway's Pills possess no mineral poison, and are more speedy and efficacious in promoting a permanent cure. Sold by all druggists, at 25c., 62c. and $1 per box.

Another Cure.

WATMADER, Minnesota, April 15, 1857.

MESSRS. B. PAGE, JR. & CO.,

Gentlemen:—During the past seven years I have suffered from all the ills incident to a weakness of the digestive organs. At times—being seized with an extreme loathing of food—I have not tasted nourishment for days; and again, when an appetite partially returned, the stomach was unable to retain what was eaten. At the suggestion of a friend, who had received much benefit, in a similar case, from your HOLLAND BITTERS, I procured a bottle, and before I had taken half of it, experienced much relief; and now, after having continued its use for a short time, enjoy excellent health. Yours, &c.

Hunnewell's Tolu Anodyne developes in the most perfect form all the requirements of opium without producing any of its horrors. The physician or patient, who, for the want of a good substitute, has witnessed the destructive effects of OPIUM, will not fail to make trial of the ANODYNE, and see its perfect results not only upon disease, but the natural state it leaves the patient. For Neuralgia, Rheumatism, Nervous and Chronic Head Ache, Actual and Partial Paralysis, Tooth and Ear Ache, Bowel Complaints, Delirium Tremens, through all the minor Nervous Complaints to that of Loss of Sleep it has no parallel. Purchasers of both the Anodyne and the Cough Remedy, should be cautious to purchase of those they can depend on, that the perfect result of the genuine may not be disturbed. Sold by all dealers. See advertisements and call for pamphlets. dec4-1md&w

Wood's Hair Restorative.—The fame of this preparation rests upon its real merit.—Thousands all over the country are using it, and it does all it claims through the various publications that it can do. Hair will grow on a bald scalp by its use; hair will be preserved and beautified by its use; hair will turn from gray to its original color by its use. We do not claim that a *red headed* gentleman or lady can be turned into individuals with raven locks or auburn ringlets, but gray hair will be restored to the *original* color. Reader, wherever you live, in any place you reside, Wood's Hair Restorative is sold. Inquire for it at all the druggists, and wherever such articles are usually obtained, and you will find it as we state.

CAUTION.—Beware of worthless imitations, as several are already in the market, called by different names. Use none unless the words (Professor Wood's Hair Restorative, Depot, St. Louis, Mo., and New York,) are blown in the bottle. Sold by all Druggists and Patent Medicine dealers. Also, by all Fancy and Toilet Goods dealers in the United States and Canadas. dec4-1md&w

A thing of Beauty is a joy forever—Who can be beautiful with a sickly pale complexion? Keep the pores of the skin free, and the blood pure, and your cheeks will vie with the rose and lily. The skin is formed with thousands of pores in every inch of surface, whose office it is to carry off the impurities of the blood—the acknowledged cause of all diseases of mankind; when the skin is dry and parched—when it is covered with eruptions—when it is cold and clammy—when there is inward fever or inflammation—it is impossible for the skin under these circumstances to perform its proper functions, and to carry off the impurities from the body as designed by our Creator.

Judson's Mountain Herb Pills remove these obstructions, and produce free and healthy blood, remove the eruptions from the skin, and cause it to brighten with the flush of youth and beauty.—Beauty so much admired and loved! Beauty without paints and cosmetics—but beauty produced by health and happiness.

Judson's Mountain Herb Pills are sold by all dealers in medicine. dec.4-d&wlm

☞ COLDS. The sudden changes of our climate are sources of PULMONARY, BRONCHIAL, and ASTHMATIC AFFECTIONS. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Lozenges, let the Cold, Cough, or Irritation of the Throat be ever so slight, as by this precaution a more serious attack may be effectually warded off. Public Speakers and Singers will find them effectual for clearing and strengthening the voice. See advertisement.

Ague and Fever
—OR—
CHILLS AND FEVER
SPEEDILY CURED
BY
SMITH'S TONIC SYRUP.

THE ATTENTION OF DEALERS in Drugs and Medicines, and persons afflicted with the Chills and Fever or Ague and Fever, is respectfully invited to this celebrated medicine, which has justly obtained a high reputation throughout the country, and for many years has maintained its superiority over all other remedies as a safe, certain, speedy and permanent cure for Chills and Fever or Ague and Fever.

It does not produce headache, giddiness, buzzing of the ears, or any of the unpleasant effects which so frequently attend the uses of Quinine or other remedies, but may be given in all cases and under all circumstances whatever, to females, infants, and all persons who are debilitated or have the most delicate constitutions, without the least apprehension of any injurious or even unpleasant effects.

This medicine has become a staple remedy, and for years has been extensively used throughout the States of Kentucky, Tennessee, Alabama, Mississippi, Louisiana, Texas, Arkansas, Missouri, Illinois, Iowa, Wisconsin, Ohio, Indiana, Nebraska, Pennsylvania, Michigan, and California, and were lately in Kansas Territory, and has permanently cured 2,000,000 of cases in all its varied forms and conditions, many of which were of from one to three years' standing, and had resisted all the usual remedies known in the country, and in no case did it fail to make a perfect and permanent cure where the directions were properly followed. Such is its invariable success that it has gained the confidence, favor, and patronage of a large number of respectable practitioners of medicine throughout the country, who prescribe and administer it in preference to quinine and other remedies.

The Proprietor has in his possession a large number of certificates and other testimonials from persons who have used this medicine, as well as from physicians, druggists, apothecaries, and other dealers in medicine, attesting its superior virtues as a curative in Chills and Fever or Ague and Fever, and he could obtain many thousand more, or enough to fill up a large volume, but he does not deem it necessary, as it is already extensively and favorably known to the public generally.

For sale by city and country Druggists and Apothecaries throughout the West, North-west and South-west.

CHILDREN TEETHING

MRS. WINSLOW, AN EXPERIenced Nurse and female Physician, presents to the attention of mothers, her
SOOTHING SYRUP,
for *Children Teething*, which greatly facilitates the process of Teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourself, and

BELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say, in confidence and truth, of it, what we have never been able to say of any other medicine—never has it failed, in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after ten years' experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in 15 or 20 minutes after the Syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful Nurses in New England, and has been used with never failing success in thousands of cases. It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve Griping in the Bowels and Wind Colic, and overcome convulsions, which if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhea in children, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any one of the foregoing complaints, do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine if timely used.

Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world. Principal office, No. 13 Cedar street, New York.

Judson's
MOUNTAIN HERB PILLS.

Above we present you with a perfect likeness of Tezuco, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of him in our pamphlets and Almanacs—to be had gratis from the Agents for these Pills.

The inventor and manufacturer of "Judson's Mountain Herb Pills" has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "Mountain Herb Pills" were discovered. A very interesting account of his adventures there you will find in our Almanacs and Pamphlets. It is an established fact that all diseases arise from

IMPURE BLOOD!

The blood is the life; and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is weakened. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet—in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These Pills not only purify the blood, but regenerate all the secretions of the body. They are, therefore, unrivaled as a

CURE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs.

Pleasant, indeed, is it to us, that we are able to place within your reach a medicine like the "Mountain Herb Pills," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the best remedy in existence for the following complaints: Bowel Complaints, Coughs, Colds, Chest Diseases, Costiveness, Dyspepsia, Diarrhœa, Dropsy, Debility, Fever and Ague, Female Complaints, Headaches, Indigestion, Influenza, Inflammation, Inward Weakness, Liver Complaints, Lowness of Spirits, Stone and Gravel, Piles, and Secondary Symptoms.

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

The plants and herbs of which these Pills are made, were discovered, in a very surprising way, among the Tezucans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight the very interesting account it contains of the "Great Medicine" of the Aztecs.

OBSERVE.—The Mountain Herb Pills are put up in a beautiful wrapper. Each Box contains 40 pills, and Retail at 25 cents per box. All genuine have the signature of B. L. Judson & Co., on each box.
