HILO MAY LOSE WILHELMINA SERVICE

SAY HILOITES ASKED TOO MUCH

KICK FROM HAWAII CITY AGAINST MATSON BOAT'S SCHEDULE MAY RESULT IN HER CUTTING OUT HILO ALTOGETHER—HILO WANTED TO CUT OUT THE FINAL CALL AT HILO.

The Wilhelmina, it was reported today, would soon cut out the Hilo trip and resume straight service between Honolulu and San Francisco. It was further reported that this change was due to Hilo complaints regarding the schedule as established, Hiloites having asked that on the return trip the Wilhelmina cut out Honolulu.

On the present schedule the Wilhelmina, the finest ship of the Matson line, goes to Hilo every trip and hooks Hilo people who want to go to the coast. Returning from Hilo to Honolulu she takes aboard passengers and freight, and then heads for the coast.

Hiloites wanted this programme changed so that the Wilhelmina's final port of departure for San Francisco would be Hilo, and they are said to have sent a communication to the Matson company asking that this be arranged for them. The Matson company could not see it that way, and instead is stated to have decided to cut out Hilo altogether as far as the Wilhelmina is concerned. As more than ninety per cent of the steamer's passengers for the coast are from Honolulu, Hilo's request was not regarded as a reasonable one.

One of the other Matson boats, it is said, will make the Hilo calls.

POLITICAL WOULD-BE ASSASSIN GETS WRIT OF HABEAS CORPUS

A habeas corpus proceeding, involving the old time controversy about keeping accused persons in custody with no charge against them, was begun this morning by Attorney J. Lightfoot in behalf of Lee Sin Song in the Korean who is alleged to have attempted a political assassination of a fellow countryman last Thursday.

Lee Song has been held in jail ever since the crime was committed. As his victim was in the hospital, and likely to die at any time according to the reports of the physicians, no charge was placed against Lee Song. The police didn't know whether to charge murder or attempted murder. So they just held on to Lee Song.

"If we charged him with attempted murder, he might get bail," said Sheriff Jarrett. "Then if the victim died he would skip and the chance of catching him would be very small if his fellow countrymen gave him assistance."

On the petition of Lightfoot Judge Robinson signed a writ of habeas corpus, returnable tomorrow morning. The petition sets forth that Lee Song is unlawfully restrained of his liberty. It was served on Jarrett this morning, and he will have the Korean in court tomorrow morning.

KANIHO MAY LOSE HIS RIGHT TO BE CANDIDATE

CANNON BALL OF KOHALA DECLARED TO HAVE LOST HIS RIGHT TO REGISTER.

H. M. Kaniho, the Cannon Ball of Kohala, the only man who has a record of having been in every one of the territorial legislatures of Hawaii, is to be refused the right to register as a voter, and therefore a possible candidate, in the district of Kohala.

Some time ago it was announced that Kaniho had changed his residence to Honolulu and intended to run for the House as a representative from the Fifth District, on the Democratic ticket, deserting the Home Rule party which had always held his affections.

A short time ago Kaniho returned to Kohala and last week he applied for registration as a voter in his old district. He was refused registration and the matter was referred to the attorney general. The question is as to whether Kaniho's legal residence is Honolulu or Kohala.

Attorney General Lindsay will advise the registration board of Kohala, in view of alleged statements by Kaniho that he intended to be a resident and candidate in Honolulu, that the Cannon Ball can not register in Kohala.

LINDSAY ALSO DECLINES TO PROSECUTE THE RICHARDS CASE

ATTORNEY GENERAL ENTERS A SCALE PROTEST OF ARREST OF MANUEL RICHARDS—FOLLOWS THE COURSE OF CATHCART IN CASE THAT LED TO ROW WITH GRAND JURY.

Attorney General Alexander Lindsay this morning entered a mild protest in the case of the Territory against Manuel Richards, who was arrested for misdemeanor as a result of an impossible conduct in which a native lost his life a little over six months ago. This is the case in which County Attorney John W. Cathcart's refusal to prosecute last July caused a sensational session of the grand jury. The jury declined to follow Cathcart's advice and insisted on an indictment, calling in the attorney general and refusing to deal with Cathcart as adviser.

This morning the attorney general made a statement to Judge Cooper's court in which he said that he had carefully considered the case, the evidence not justifying a verdict of guilty. Lindsay told the court that he had seen the various witnesses and had made a personal inspection of the scene of the affair and was prepared to produce the witnesses if the court so desired. The attorney general said that he was not convinced that the defendant was an accomplice. Lindsay said that he was not convinced that the defendant was an accomplice.
