ANOTHER BATCH OF FEDERAL CITIZENS

THREE SUBJECTS OF EDWARD VII DECIDE TO RENOUNCE THEIR ALLEGIANCE TO HIM.

Judge McClernan turned out another batch of new citizens "well disposed to the good order and happiness of the United States" this morning.

L. F. Shaw got slightly mixed on his coaching line and fell down in his attempt to become a citizen with voting franchise because he failed to answer properly one of the questions put.

The court asked him when he had made up his mind to become a citizen of the United States.

"Oh, about two months ago," was the reply.

"Well, you will have to wait two years then," said the judge. "The law says you must have your mind made up for at least two years. I can't issue papers for you."

William Regan, Daniel Riley and Wendell Giverson, all former subjects of Edward VII, renounced allegiance to England and were granted papers.

B'NAI ISRAEL MAY PUT UP A TEMPLE IN BUTTE

Jewish Congregation Take Steps to Organize, and Neat Sum Has Already Been Subscribed.

Looking to the permanent organization of the B'Nai Israel a large number of the Hebrews of Butte met yesterday afternoon in Castle hall and their efforts were rewarded by the formation of a nucleus for a congregation. It is not improbable that the Jews of Butte will soon have a temple in which they can worship according to the old Hebrew rites.

Yesterday's meeting was presided over by President William Gallick and he was assisted by Rabbi J. H. Chumaceiro. Mr. Gallick explained the great needs of a temple so that the young would no longer grow up without due instructions in the Hebrew faith. Already $1,200 have been subscribed as voluntary contributions and the president has assurances that more will be forthcoming in the near future.

Rabbi Chumaceiro dwelt upon the importance of the women taking an active part in the church work. He said it would be necessary for them to do their part if success were looked for. Consequently there will be a meeting of the ladies in the Carpenters' union hall this afternoon under the auspices of the Jewish Women's council, to devise ways and means for raising money to build a temple.

WALL STREET STOCKS

Today's Quotations:

[BY ASSOCIATED PRESS.]

New York, Oct. 6.—The level of prices receded at the opening, with large sales in some of the Pacific and Coalers. The Gould group of stocks developed severe weakness, which gradually extended to many other points. Declines reached a point in the various Gould stocks, New York Central, Illinois Central and a number of less prominent railroads and specialties. St. Paul fell to 192½, but was bought freely at the low level and recovered to 194, causing a slight rally all around.

A partial rally was met by heavy liquidation again which carried prices to the lowest of the day. Money rose again to the highest of the day. Several breaks were made in the inactive list, Wells Fargo and United States Express losing about 15; Northwestern, 8⅞; Lackawanna, 7½ and Rock Island and Brooklyn Union Gas 6.

Losses reached nearly four or over western, Canadian Pacific, Hocking Valley, Sugar and Tennessee Coal and three or more in St. Louis-San Francisco, Atchison, Southern Pacific, D. & H., St. Louis-Southwestern preferred, People's Gas and Colorado Fuel.

The rally on covering by room shorts carried Reading, St. Paul, Southern Pacific, Louisville and Canadian Pacific up a point or more and the general list a fraction. The closing was active and irregular.

This improvement did not hold long, as fresh selling orders appeared at 11 o'clock, driving the Coalers, Pacifics and Southwesterns to the lowest. Trading was very animated for a time under the influence of a general selling movement, which lowered practically every important stock a point or more.

In St. Paul, Louisville & San Francisco and Texas Pacific, the reaction ran to 2 points. Losses were even more severe in the less active stocks, Anaconda, North American and Pullman losing from 2 to 4, Minneapolis, St. Paul & Sault Ste Marie 5, Northwestern 6⅜, and New York Airbrake 10. Saturday's unfavorable bank statement, combined with 10 per cent money, caused some clearing out of long accounts and more confident operations by the bears. The market was dull and slightly above the lowest at noon.

Bonds were weak at noon. Prices continued to give way, particularly in the Southwestern group, some of which were down 3 points.

A feverish rally of St. Paul, Louisville, Pennsylvania and Colorado Fuel had some effect in steadying the list.
