CONSUMPTION CURED!

AND

CANCHALAGUA;

FOR THE COMPLETE CURE OF

Coughs, Colds, Influenza, Asthma, Bronchitis, spitting of Blood, and all other Lung Complaints tending to CONSUMPTION.

READ! READ!!

This medicine is just what it is declared to be above. A remedy for the *complete cure* of all those affections of the Throat and Lungs, which, if neglected, end in CONSUMPTION. It is not a worthless, *catch-penny article*, made just to sell, like many of the nostrums of the day, but it is a strictly *scientific Preparation*—the original recipe having been furnished by an eminent Physician, (the late Prof Rogers,) and that still further improved by one of the present proprietors, who is himself a regularly educated Physician, a graduate of the University of Pennsylvania.—It is composed of the choicest articles in the vegetable kingdom, most of them of long-tried value and established reputation, and some of them entirely new, particularly the CANCHALAGUA, a plant of most wonderful medicinal virtues, lately introduced into this country from California. The Recipe has been shown to thousands of Physicians, who have universally approved it, and will be shown to any Physician who desires to see it, upon application either to the Proprietors or their Agents. It has been used in multitudes of cases, and is strongly recommended by Physicians, even Professors in our Medical College, Ministers of the Gospel, Judges, Lawyers, Merchants, Mechanics, &c.—a conclusive proof that there is no quackery or deception about it, but that it is a medicine of the most uncommon virtue and efficacy.

PAMPHLETS.

As no ordinary-sized advertisement can begin to do justice to the merits of this article, the proprietors have embodied in a pamphlet form, the history of this Medicine—the description nature &c., of its principal ingredients—the effect they are designed to have upon the human system—and above all, the incalculable amount of good which it has done. They design to circulate this Pamphlet extensively; but should any one be overlooked, they are requested to call upon the Agents named below, and procure one, gratis. It will well repay a perusal. The hints on page 7th may be worth to yourselves or family, THOUSANDS or DOLLARS, and it will introduce to you a mass of testimony in its favor which is perfectly irresistible.

Such being our confidence in its virtues, we are willing to warrant the Medicine in every case, (if used according to the directions,) and when the person is not satisfied that he is deriving benefit from it, by returning the bottle within 24 hours time, THE MONEY will be refunded. ☞ See page 30 of Pamphlet.

For sale, wholesale and retail, by A. L. SCOVILL & CO., Proprietors, at their *Principal Office*, No. 65 Warren st., New York, to whom all orders for this Medicine, and letters relating to Agencies, should be addressed, *post paid.*

☞ Be sure you ask for *Dr. A. Rogers' Syrup of* LIVERWORT, TAR, and CANCHALAGUA, and let no other be palmed off upon you.

CAUTION.—*None genuine*, unless there is on the buff wrapper, a *note of hand*, signed with a *Pen*, by A. L. SCOVILL & CO.

For sale in Middlebury, by W. P. RUSSEL PRICE—In large bottles, $1,00; or six bottles for $5,00.

CONSUMPTION.

100000 Pulmonary Complaints

HAVE BEEN CURED BY

BRANT'S INDIAN BALSAM.

HOPELESS, DYING cases of Consumption, can be cured by the use of this Balsam. It has cured hundreds of persons who were so far diseased and so hopeless as to have been pronounced by Physicians and friends, in a dying state. It has cured thousands of confirmed cases, and tens of thousands in all the various incipient stages of that Fatal Disease. It has cured many of whom it were said they would not live a week, and some not a day longer.

For particular cases, and full and abundant proof, see our Pamphlets—all our agents have the pamphlets to give to all who ask for them.

Brant's Purifying Extract

is another preparation of this Indian Medicine, which is expressly prepared and adapted to purify and cleanse the Blood. It contains the highly concentrated essence of several valuable and efficacious vegetable medicines—such as *Sarsaparilla, Yellow Dock, Cherry Bark and Pa*safras—also others, one of which is the most powerful and sure tonic Purifier of the Blood that was ever known to exist. Indian or white man. It neutralizes and destroys all the unhealthy, poisonous portions of the blood so promptly and certainly, that it cures the worst Scrofulous, Cancers, and all other impure blood diseases without fail. It cures diseases of the Heart, Liver, Kidneys, Urine and Blood.

There is more alterative, purifying, healing efficacy in one bottle of this Purifier, than there is in ten bottles of any other medicine which purports to cure the same diseases.

The above Medicines are sold in almost every town in the state, and in this county by

W. P. Russel, Middlebury; I. F. Benson, Whiting; W. S. Brown, Addison; Brockins & Birchard, Shoreham; C. M. Lewis & Co., Cornwall; U. D. Twitchell, Weybridge; A. P. Roscoe, New Haven; L. L. The Vegetable Pulmonary BALSAM.

Is the Most Highly Approved and Popular Standard Medicine now in General Use for COUGHS, COLDS AND CONSUMPTION, Asthma, Pleurisy, Pleurisy, Spitting of Blood, Hooping Cough, Bronchitis, and all Pulmonary Affections and Diseases of the Lungs and Chest.

It is thus spoken of by eminent Physicians. One says—"For the above complaints it is superior to any other preparation used." Another—"It has been used with wonderful success and has a superiority over every kind of medicine used." Another—"I can with confidence recommend it." Another—"It has been used with complete success, and I am satisfied that it is a valuable medicine." An other—"It is a safe, convenient, and very efficacious medicine." Another—"It has never, to my knowledge, disappointed the reasonable expectations of those who have used it." Another—"It is equal if not superior to any other medicine within my knowledge."

Extract from a letter dated Dublin, Ir., April 13, 49.—"It was first introduced into my family by a celebrated Physician, some ten years ago, and such was the benefit my wife derived from it that we have not been without it in our house since. I have since recommended it to at least fifty different persons since, for Affections of the Lungs, and I do not know of a single case in which it did not give immediate relief, and some cases cured after being given up by their Physicians."

☞ BEWARE OF COUNTERFEITS AND IMITATIONS such as "Carter's Compound Pulmonary Balsam," "American Pulmonary Balsam," and others in part bearing the name. Enquire for the article by its whole name the "VEGETABLE PULMONARY BALSAM," and see that it has the written signature of Wm. Jon's Cutler upon a yellow label, on the blue wrapper. WRIGHT'S

INDIAN VEGETABLE PILLS

SUGAR FROSTED!

THE Proprietor of this popular Family Medicine, thankful for the extensive and increasing favor with which it is received, and feeling desirous of making every improvement in his power, begs leave to announce that he has added

AN OUTSIDE FROSTING

to the Pills, of pure White Sugar, whereby every thing disagreeable to the taste or smell is entirely removed, without in the smallest degree affecting, in other respects, the excellent qualities of the medicine. The want of an innocent and convenient medium of disguising the Pills, so generally felt, is thus supplied, and it is confidently anticipated that the will prove highly acceptable to the public.

The occasional use of medicine is a matter of necessity with the great majority of mankind.—Whatever, therefore, is done to remove its disagreeable associations, is a public benefit. The value of *Wright's Indian Vegetable Pills* is well understood. Innocent and efficacious, free from minerals of every description, and adapted to all the circumstances and conditions of life, they are esteemed beyond all other remedies, as the greatest family medicine of the day. The frost-covering is an addition intended merely to conceal the taste and smell.

These Pills will also continue to be prepared *without the frosting*, as heretofore, so that all who prefer them in their original state, may still be accommodated.

GENERAL DIRECTIONS.

The ordinary dose for a grown person is from two to four Pills; but in cases of violent pain, in any part of the body, the medicine should be taken in large doses, and repeated every night on going to bed, (or oftener if the suffering is great,) until pain or distress of every kind is removed; after which, the medicine should be aken merely with a view to keeping the bowels regular, which *will in a short time restore the body to a state of sound health.*

For more particular directions, see the circular accompanying each box. 33:6w

CHAPTER X.

"HE was attired in the highest style of French fashion. A well fashioned paletot pelisse of the finest black cloth, richly braided and trimmed with sables, was partly open in front and disclosed a dark-blue frock buttoned closely round the slender waist; a waistcoat of stone colored silk, and a cravat of light-blue brocade which suffered very little of the beautiful linen to appear.—These articles of dress fitted with exactness an elegant, somewhat undulating shape. The ample tube of the fancy trousers tapered down to the wondrously small French boots; gloves, couleur de paille, covered the feminitely *small* hands, and the young gentleman carried a glass dangling at his breast and a little silver-headed black cane in his hand wherewith he played as he talked."

It need hardly be remarked that this gentleman procured his elegant dress at the
