The PATRIOT is an earnest, active and indefatigable supporter of the Constitutional Union cause, and in the present canvass for the Presidency will use every honorable effort to promote the election of BELL and EVERETT. To enable us to labor with increased efficiency we ask our party friends to aid us in extending its circulation.

By the purchase of the printing establishment of the *News*, and recent additions of new materials from the foundries, the JOB OFFICE of the PATRIOT has been made the largest and most complete in the South-West. It is also supplied with the most competent workmen. Steam has been applied to our presses, which are of the best kinds. We are prepared to print, in the highest style of the art, plain, in colors, or bronze,

POSTERS,	HANDBILLS,
PROGRAMMES,	BILLS LADING,

DRAY TICKETS,	DIPLOMAS,

And, indeed, everything from the smallest Tip to the mammoth Poster, or the least Pamphlet to the largest ob.

The large circulation of the PATRIOT, greatly augmented by the addition thereto of the subscription lists of *News*, renders it an excellent advertising medium. None better in the city.

Telegraph Chalybeate Springs.

This water is brought four hundred feet in ten seconds.

W. DUNN,

TAKES pleasure in informing the public that he is now ready to wait on all who may favor him with a call.

This Spring is situated on the east side of Cumberland river, at the end of the wire bridge. Families, from $4 to $6; One Person, $2; by the drink, 5 cents. Payment in advance.

ANALYSIS.

Carbonate of Iron, Carbonate of Lime, Sulphate of Magnesia, Sulphate of Lime, Muriate of Magnesia, Muriate of Soda.

The specific gravity of the fresh water was 1.01222—establishes water being taken as a standard.

I understand that the water has already been beneficial to several invalids. It will be beneficial to a greater degree when taken fresh from the Spring. I should pronounce it stimulant and tonic, and adapted, consequently, to cases of debility, accompanied with an anemic condition of the system, and contraindicated in plethoric and inflammatory states.

RICHARD O. CURREY.

There is no doubt that the Spring kept by Mr. W. DUNN at the eastern end of the Suspension Bridge is good Chalybeate water, and that it is adapted to many diseases of debility. B. W. Hall, M. D., R. No Time to Wait for the Doctor!

ABOUT these times all children will eat green fruit. At any moment of day or night, they are liable to be attacked by Cholera Morbus, Dysentery or Diarrhœa. No time then to send for the doctor. The Graefenberg Dysentery Syrup instantly relieves all such cases. No family ought to be without it in the house. Its promptness has saved thousands of valuable lives in Tennessee in the past few years. Only 50 cents a bottle—enough for a whole family for a whole season. A fresh lot just received.
