Needs Airing.

[From Puck.]

"I don't like him. He's too fond of airing his knowledge."

"But consider how mouldy most of his knowledge is."

Sarcastic.

[From Harper's Bazar.]

"If you are not politer to me I shall have to take your name out of my good books," said the novelist to the critic.

"You never published any of them, did you, Mr. scribbler?" was the reply.

These Suits are built with a view to durability as well as style, and we exercise as much care in their make, fit and finish as will be found in the suits sold at $20.00 by other houses.

The Overcoats we sell at $10.00 during this sale cannot be bought elsewhere for less than $18.00 and $20.00, and contain Tweeds, Meltons, &c., in a large variety of colors.

$12 Spring Suits and Overcoats.

With one of our $12 Suits on, your friends would not believe you paid less than $20 for it. Every thread and buttonhole is finished to perfection. They are in stylish Sacks, double-breasted, and Frocks. Many handsome Cheviots and Worsteds that will catch your eye. Business men will find these lines particularly interesting. Too many styles of Overcoats at $12 to tell about—you'll have to see them. All are equally as good as others charge $22 for.

$15 Spring Suits and Overcoats.

This is our "crack-a-jack" line, which comprises the most elegant productions ever sold for the money since "ready-to-wear" clothes were in vogue. They're the equal to most custom-made garments, and in the great majority of cases fit better and are in better taste. Limitless amount of styles, colors and fabrics. They're the class of goods that are the envy of tailors.

COMMON-SENSE · FACTS · ABOUT · YOUR · CLOTHES!

FACTS ARE STUBBORN THINGS TO TRIFLE WITH. WE DEAL PURELY IN FACTS.

You've probably heard of us. If you haven't we want you to get acquainted with us. It's to your interest, for we know how to supply you with clothing that's stylish and in "correct form." We are manufacturers and we're satisfied with small profits, and can afford to undersell competitors. Unlike most houses, we cut prices early in the season, that a knowledge of these stupendous values may be scattered broadcast and open our season's trade with a rush.

Our display of styles o'ertops that of any previous season in magnitude and variety. There's nothing desirable in Men's Dress that our stock does not contain.

WHAT'S THE USE?—of paying tailors three times over for Suits and Overcoats we sell at $10, $12 and $15, and we guarantee ours to be equal and in most cases better in fit and detail of finish. Many people may disbelieve us! All we ask is for you to call. See for yourself. Everything is plainly marked. You can't go amiss! For we depend on the excellence of our stock and styles, coupled with lower prices, to do our advertising.

While this sale is in progress (only a short time yet) we will continue to give away free a stylish Derby Hat (the latest styles) or a fine Silk Umbrella, with the purchase of every man's Suit or Overcoat.

This is your last opportunity to take advantage of this double bargain offer.
