IMPORTANT TO PLANTERS—
Messrs. B. A. Fahnestock & Co:
Gentlemen—Mr. G. W. Tilley, who is a gentleman well known as one of the best planters in this or Winston county, and celebrated for the careful management of negroes, highly recommends B. A. Fahnestock's Vermifuge. He called on me a few days since and purchased two doses, and says that he administered the Vermifuge bought of me last year, to an adult negro suspected of having worms, and succeeded in expelling from her several dozen worms some inches in length, and that her health is now good.
One of these home testimonies is worth a thousand where the parties are not known; and this can be regarded as a reliable evidence with regard to the adaptation of your valuable Vermifuge to our plantations. I am truly yours,
W. P. FISHER.
☞ Purchasers should look well to the initials on the wrapper, and see that they are buying B. A. Fahnestock's Vermifuge, and no other. fe20 1m&W
