FROM THE NEW YORK WORLD:
Hosea Higgins is probably as well known as any man in New York, and the fame of the institution over which he presides has spread all over the country. The invariable and pronounced success that has followed his methods in teaching the art of dancing has made it the largest establishment of the kind in the world. To the better class of people "Our Own" is an ideal institution; its facilities are unequalled; the floor space is enormous, the music provided is above criticism, while his staff of lady and gentlemen teachers stand at the head of their profession.
Mr. HOSEA HIGGINS, in his class lessons, gives individual instruction in a room separate from the general classroom. Different pupils find this method a great advantage. HE GUARANTEES THE WALTZ IN SIX PRIVATE LESSONS, MAKING NO FAILURES.
