FIRE & MARINE INSURANCE.
"If there be safety only in good security—in order to be secure we must be safely Insured."

WHEN we hear of our friends loosing their property by fire, or that the vessel on which they have made shipment of Produce or Merchandize is lost, the first question we ask is 'were you insured?' Now if we feel such an interest in the welfare of our friends, how can any one risk the dangers that are continually surrounding his own property withou being able at any time to answer the question if put to himself, "Yes I am Insured."

The Camden Insurance Company of New Jersey, well make insurance on Buildings, Household furniture and Merchandize of all kinds—also upon shipment of Produce and Mercandize, on boad of Steam Boats, Sailing Vessels, Canal, Keel and Flat Boats, at a fair valuation and at reasonablo rates of Premium, and, in case of loss, as soon as the claim can be properly adjusted—pay over the same.
