FOR THE STATE OF LOUISIANA.

[illegible]

OFFICIAL.

No. 1.]

STATE OF LOUISIANA, EXECUTIVE DEPARTMENT, New Orleans, Dec. 23, 1865.

In accordance with the provisions of an act of the General Assembly, hereto annexed, proposals are invited and will be received for thirty days, commencing on the 1st day of January, 1866, for the purchase of sixteen millions of dollars of bonds of the State, payable in twenty years, bearing interest, payable semi-annually, at the rate of eight per centum per annum, and secured by the pledge of all the proceeds of the sales of the public or swamp lands belonging to the State.

Bids will be received as low as one thousand dollars, to be addressed to the Governor of the State, and indorsed "Proposals for the Purchase of Bonds."

For the information of capitalists and others who may wish to invest in these bonds, a statement is annexed, prepared by the Register of the Land Office, showing the number of acres of swamp lands remaining unsold, and from which, it will be seen, the security offered for the redemption of the bonds and the payment of the accruing interest, is ample and certain. With the present depreciation of paper currency below the standard of gold, these bonds offer inducements for investment of capital that cannot fail to be appreciated by the moneyed men of the country.

J. MADISON WELLS,
Governor of Louisiana.

[No. 35.]

AN ACT TO AUTHORIZE THE GOVERNOR TO ISSUE THE BONDS OF THE STATE FOR THE AMOUNT OF ONE MILLION OF DOLLARS AND TO PROVIDE FOR THE PAYMENT OF THE SAME, TO DEFRAY THE EXPENSES OF BUILDING LEVEES, IN ACCORDANCE WITH THE CERTIFICATE MADE BY HIM AND THE LEVEE COMMISSIONERS, APPOINTED FOR THAT PURPOSE.

SECTION. 1. *Be it enacted by the Senate and House of Representatives of the State of Louisiana, in General Assembly convened*, That the Governor of this State is hereby authorized to issue the bonds of the State, to be signed by him, and countersigned by the Secretary of State, and sealed with the seal of the State, in sums as he shall think proper, up to the amount of one million of dollars, payable in twenty years, and bearing interest, payable semi-annually, at the rate of eight per centum per annum.

SEC. 2. *Be it further enacted, etc.*, That the Governor, in conjunction with the Board of Levee Commissioners shall advertise for thirty days in the official paper, and five other papers, published in the city of New Orleans, for proposals for the purchase of the bonds issued under the provisions of this act; and upon the receipt of the bids the Governor and Board of Commissioners shall have the power to accept or reject the same, as they may deem best; provided that in the event of the bids being under par and rejected, the Governor and Board of Commissioners shall be and are hereby authorized to pledge said bonds, or any part thereof, to borrow the money necessary to carry out the provisions of this act, until the Legislature shall otherwise provide or direct.

SEC. 3. *Be it further enacted, etc.*, That to secure the payment of the said bonds and all interest that may accrue thereon, all the proceeds of the sale of the public or swamp lands belonging to the State are hereby pledged.

SEC. 4. *Be it further enacted, etc.*, That if during the year, the proceeds of the sale of the Public or Swamp Lands belonging to the State so pledged for the redemption of said bonds after reserving an amount sufficient to meet the interest coupons, there should be a surplus, said surplus shall be applied to the purchase from the lowest bidder of such bonds issued under this act, and the Governor and the Commissioners or a majority of them, shall have the right of rejecting all bids, demanding more than the face of the bonds, for which purpose, public notice shall be given by the Governor in the official gazette and one other gazette in or out of the State, for sixty days, inviting proposals from bond holders, for the sale of the bonds, herein described.

SEC. 5. That this act shall take effect from and after date.

(Signed) DUNCAN S. CAGE,
Speaker of the House of Representatives.
(Signed) ALBERT VORMBER,
Lieutenant Governor and President of the Senate.
Approved December 22, 1865.
(Signed) J. MADISON WELLS,
Governor of the State of Louisiana.

Secretary of State.
