SCARPA'S ACOUSTIC OIL.

FOR the cure of Deafness, Pains, and the Discharge of matter from the Ears. Also, all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, &c. &c., which are symptoms of approaching Deafness, and also generally attendant upon the disease. Many persons who have been deaf for ten, fifteen and twenty years, and were obliged to use ear trumpets, have, after using one or two bottles, thrown aside their trumpets, being made perfectly well.

Read the following from the Philadelphia *Spirit of the Times*:

DEAFNESS CURED.—We have heard a great many speak of the virtues of Scarpa's Acoustic Oil, as a remedy for Deafness, and we are sure that it is unsurpassed by any thing known for the purpose. One or two instances of its curative effects have been pointed out to us that are really astonishing.

ASTONISHING CURE OF DEAFNESS!—The following certificate has been received by Mr. Hopple, our agent at Newburgport, Mass.

"This is to certify that my wife, having been afflicted with the loss of hearing for a year and a half, has suddenly recovered the use of her ears by the use of Scarpa's Oil for Deafness. It was with much reluctance that she made trial of it, but being encouraged by the example of others whose names are produced in favor of its utility, her consent was obtained, and I am happy to say that her hearing is now more than ordinary acute. I wish that those suffering under the same malady might be aided by the knowledge." THOMAS E. PRESSEY.

Newburgport, April, 1843.

For the benefit of persons at a distance, I would add that Mr. Pressey is a merchant, of Pleasant street, and will be happy to give any additional particulars to those who may wish to enquire of him.
