* Boxes north of river.

Fire alarms are sounded upon the tower bell at department headquarters by striking the number of the signal station nearest the fire, in this manner: If for box 4, four distinct strokes and repeated. If for box 13, one stroke, a short pause, then three strokes, and repeated, thus, 1-111, 1-111, etc. "12" is sounded for all fires within the district bounded by Fifth, Ninth, Jackson and Quincy streets.

TEN STROKES, and repeated, followed by the number of the signal station nearest the fire, is the SECOND ALARM—for a serious fire.

THREE STROKES, followed by TWELVE, and repeated, is the GENERAL ALARM for a very dangerous fire, and calls out the entire department with a detail of police.

TWO STROKES, slowly, indicates FIRE IS OUT. One long whistle from water works, for fires south of river. Three whistles from same, for fires north of river.

Catarrh

AND

COLD IN THE HEAD

relieved instantly by one application of

Birney's Catarrh Powder

REV. FATHER CLARKE, late P. to the Rt. Rev. Bishop of Columbus, Ohio, writes:

GENTLEMEN:—I cannot say enough for your Powder. It has cured me of an apparently hopeless case of catarrh where everything else could help me. I am delighted with it. All my friends to whom I administered samples are quite enthusiastic over it. The good Sisters speak most enthusiastically of their use of it in the Hospital under their care. I will do anything in my power to make a good word for the remedy to help others who are suffering.

M. E. FERGUSON, Custodian U. S. Appraiser's Stores, Chicago, writes:

GENTLEMEN:—Being almost entirely deaf for a number of years and suffering so much from catarrh in my head that life was a burden to me, I was induced by a friend to try Dr. Birney's Catarrhal Powder for my deafness. Have recovered my hearing entirely, so that I can now hear a watch ticks plainly. It being held 18 inches from my ear. Hoping some one else may be benefited by my testimony, I do so freely, as I am a firm believer in the merits of the remedy and have recommended its use to many of my friends and can say I have never heard of a case where it has failed to relieve.
