MAYORALTY OF NEW ORLEANS, May 25, 1852.

To the Honorable Presidents and Members of the Board of Aldermen and the Board of Assistant Aldermen of the City of New Orleans:

GENTLEMEN—I beg to enclose a petition, very numerously signed by property owners and residents on Canal street, asking your honorable body to take into consideration the propriety and advantage of improving the so called "Neutral Ground." I have on various occasions called the attention of the municipal councils to the importance of laying off and beautifying this handsome thoroughfare, but for want of a proper concert of action my suggestions were not noted upon. The ground is susceptible of great improvement at comparatively moderate cost, and of being converted into a splendid promenade, which would not only prove a real ornament to the city, but would also afford the inhabitants during the heat of summer, and indeed all seasons of the year, a delightful resort for recreation and exercise. I trust, therefore, that you will take the accompanying memorial under the advisement, and that your earliest attention will be directed towards carrying out the improvements recommended by the petitioners.

I desire to call your attention to the enclosed communication, addressed to me by the Mayor of the City of Jefferson, in relation to allowing drays, carts, and other vehicles which may be licensed there, the privilege of running through our streets.

I have the honor to submit for your consideration the rules and regulations prepared for the government of the men composing the Day and Night Police of the City of New Orleans, together with instructions as to the duties and powers of Policemen. I have the honor to be, very respectfully, your obedient serv't.

A. D. CROSSMAN, Mayor.

On motion of Mr. Watkins, the rules were suspended, and the following resolutions, presented by him, were adopted after being read twice:

Resolved, That the Board of Aldermen be respectfully invited to meet this Board at their chamber, opposite Lafayette Square, this evening, at eight o'clock, for the purpose of electing City Physicians, Notary, and such other officers as may be provided for by law.

Resolved, That the Secretary transmit a copy of the foregoing to the Board of Aldermen, for their concurrence.

The Treasurer's semi-mon
