HOUSE BILL NO. 54.

An Act concerning assessment and taxation and to amend section 17 of chapter 408 of the Session Laws of 1907, and to repeal sections 7611 and 7702 of the General Statutes of 1901.

Be it enacted by the Legislature of the State of Kansas:

Section 1. That Section 17 of Chapter 408 of the Session Laws of 1907 be and the same is hereby amended to read as follows: Sec. 17. The Tax Commission as hereby created shall constitute a State Board of Equalization, and shall equalize the valuation and assessment of property throughout the state; and shall have power to equalize the assessment of all property in this state between persons, firms or corporations of the same assessment district, between cities and townships of the same county, and between the different counties of the state and the property assessed by the said Tax Commission in the first instance. And any person feeling aggrieved by the action of the county board of equalization may, within thirty days after the decision of said board, appeal to the State Board of Equilization for a determination of such grievance. It shall be the duty of the Tax Commission to meet in its office on the second Wednesday of July in the year A. D. 1908, and of each year thereafter, to perform the work of equalization as hereinbefore provided. Said Tax Commission shall apportion the amount of tax for state purposes as required by law to be raised in the state among the several counties therein, in proportion to the valuation of the taxable property therein for the year as equalized by said Tax Commission. Whenever the valuation of any taxing district, whether it be a county, township, city, school district or otherwise, is changed by the State Board of Equalization, the officers of such taxing district who have authority to levy taxes, are required to use the valuation so fixed by the state board as a basis for making their levies for all purposes.

Sec. 2. Original Section 17, Chapter 408, Laws of 1907, and Sections 7611 and 7702 of the General Statutes of 1901 are hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the official state paper.
