WAS HE SAILED TO EUROPE?

Broken Rosenberg Has Been Missing for Two Weeks.

No Reason Can Be Learned for His Disappearance.

Jacques Rosenberg, a stock broker, thirty years old, with offices in rooms 14 and 15, Nos. 41 and 43 New street, has been missing for two weeks, and neither his wife, relatives nor friends have any idea why he should have left or where he is. At least so they protest.

Rosenberg, two years ago, married the daughter of Leopold S. Bache, of 112 West Seventy-fifth street. The wedding was a society event, and the bride, it was stated, received a present of $100,000 from her father.

Rosenberg, after an extended wedding trip, made his home at 9 East Seventy-third street.

It was hinted that he sailed for Europe on the Hamburg liner Colombia on Sept. 13. If he did so, it was under an assumed name, for his right one doesn't appear on either the cabin or passenger list of the Colombia.

All of Rosenberg's furniture is still in his offices. To George H. Cook, the agent for the building, he owes some office rent, which he is anxious to collect.

None of the business firms he is alleged to have had business with profess to know anything at all about him.

A member of his father-in-law's firm stated that Rosenberg is all right, and has just simply gone away.
