IMPORTANT TO PROPERTY OWNERS!

Bridgewater Paint,

FOR WOOD, BRICK AND OTHER BUILDINGS, STEAMBOATS, SHIPS, RAILROAD CARS, DEPOTS AND ALL OUT DOOR WORK, ALSO FOR ALL KINDS OF IRON WORK, ABOVE AND UNDER WATER.

☞ The attention of the public is respectfully called to the following testimonials in favor of the celebrated BRIDGEWATER PAINT. It is unnecessary for the Agents to more fully state, that after EIGHT MONTHS use in the South, the character of the Paint is firmly established, and it is now offered to the public as the best FIRE AND WEATHER PROTECTOR EVER DISCOVERED.

CERTIFICATE OF Rev. F. MILLER, OF ATTAKAPAS

In July last I was induced to apply the Bridgewater Mineral Paint to my Sugar-house, and in every respect, it has exceeded my expectations and the representations made by the Agents, Messrs. G. C. BOGERT & CO. I cheerfully add my testimony to the numerous ones embraced in the Agents' circular, and recommend the same to planters and others as the best FIRE AND WEATHER PROTECTOR I have ever known. Where I have applied it, it has been exposed to the sun since last July, and has neither blistered nor cracked, and has formed a solid metallic surface, which has proved entirely impervious.

(Signed) JOHN P. MILLER.

New Iberia, Attakapas, March 18, 1852.

CERTIFICATE OF CAPTAIN ST. CLAIR THOMASSON, OF STEAMER MAGNOLIA.

Having painted the barrooms deck of the passenger steamer MAGNOLIA, under my command, with the BRIDGEWATER PAINT, I cheerfully recommend it for its EMINENTLY VALUABLE qualities, and have no hesitation in pronouncing it, for its purpose, the most durable and economical paint before the public, and believe it to be a CERTAIN PROTECTION AGAINST THE EFFECTS OF SPARKS AND CINDERS. It has also proved ENTIRELY WATERPROOF on my deck, since three months use. (Signed) ST. C. THOMASSON.

New Orleans, December 5, 1851.

CERTIFICATE OF CAPTAIN WILLIAM BROWN, OF TOWBOAT PORPOISE.

I have used the BRIDGEWATER PAINT, for which Messrs. G. C. BOGERT & CO. are Agents, on the barroom deck of the Towboat PORPOISE. The Paint has been on about three months, and SPARKS and CINDERS CONSTANTLY falling upon it has had NO EFFECT WHATEVER.

In about four weeks it became a PERFECT SLATE, and I am satisfied of its possessing all the qualities necessary to insure it a CERTAIN PROTECTION against the effects of SPARKS and CINDERS. I confidently recommend the BRIDGEWATER PAINT for the purposes set forth in the Agents' Circular.

(Signed) WM. BROWN, Captain of Towboat Porpoise.

CERTIFICATE OF THE MANAGERS AND AGENTS OF LOUISIANA DRY DOCK CO.

Having had the LOUISIANA DRY DOCK painted with the BRIDGEWATER PAINT, and its merits thoroughly tested, we fully concur in opinion with Captain Thomasson of the MAGNOLIA, and the owners of the PORPOISE. We cheerfully recommend said PAINT as a SUPERIOR ARTICLE.

CERTIFICATE OF JOSEPH BENSON, PAINTER.

I have used the BRIDGEWATER PAINT, for the past five months, on houses exposed to the heavy PROOF AGAINST THE EFFECTS OF SPARKS AND CINDERS, and a protection against leaks. I consider it far superior to any Mineral Paint I have seen in the South, invaluable for all outdoor purposes—possessing qualities that particularly recommend it for use in a Southern climate. JOSEPH BENSON, Painter,

New Orleans, February 4, 1852. 135 Camp street.
