IMPORTANT INFORMATION!

DR. WHITE, having removed his office from No 32, Vine Street, to No. 7, Pine Street, St. Louis Mo., continues to be consulted on all diseases of a *private or delicate nature*. By a long course of study and practical experience of unlimited extent Dr. W., has the gratification of presenting the unfortunate with remedies that have never failed to cure the most alarming cases of

Gonorrhea and Syphilis!

Beneath his treatment all the horrors of Venereal and Impure Blood, Scrofula, Gonorrhea, Ulcerations and distress in the regions of Procreation, Inflamation of the Bladder and Kidneys, Abscesses, Humors, frightful Swellings, and the long train of horrible symptoms attending this class of diseases are made to become as harmless as the simplest ailings of a child.

Seminal Weakness.

Dr. W., devotes a great part of his time to the treatment of those cases caused by a certain solitary habit which ruins the body and mind, unfitting the unfortunate individual for either business or society.

Some of the sad and melancholy effects produced by these early habits of youth are, Weakness of the Back and Limbs, Dizziness of the Head, Dimness of Sight, Palpitation of the Heart, Dyspepsia, Nervousness, Derangement of the Digestive Functions, Symptoms of Consumption, &c., &c.

The Fearful Effects on the Mind are much to be dreaded, viz: Loss of Memory, Confusion of ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Timidity, &c., &c., are among the evils produced. Such persons before contemplating marriage, should consult a physician of skill and experience and be at once restored to health and happiness.

Fever and Ague Cured—Warranted.

All letters containing a fee, addressed to C. D. White, M. D., St. Louis, Mo., will meet with prompt attention and medicine forwarded secure from observation. The strictest secrecy observed in all cases. Don't forget the place, No. 7, Pine street, St Louis, Mo.

"The Horace Waters' Pianos are built of the best and most thoroughly seasoned material. From all we can learn of this establishment—said to be the largest in the United States—we have no doubt that buyers can do as well, perhaps better, at this than at any other house in the Union."—*Christian Advocate, Memphis, Tenn.*

"Mr. Waters has been long established and is favorably known. We speak from experience when we assure our readers that his prices are below those usually charged for articles in his line."—*Jacksonian, New Jersey.*

"The treble is clear, pure, powerful, and very mellolious, the base is deep, rolling, and sonorous; the middle part is rich, and sympathetic, and possessing the power of singing, *i. e.* of uniting the sound of each tone, in a degree but rarely achieved."—HENRY C. WATSON.

"For power of tone, depth of bass, and brilliancy of treble, together with accuracy of touch, they are equal to any make I am acquainted with, and I cordially recommend them to those wishing to purchase.—V. C. TAYLOR.

"Our friends will find at Mr. Waters' store the very best assortment of music and of pianos to be found in the United States; and we urge our southern and western friends to give him a call whenever they go to New York."—*Graham's Magazine.*

We consider them worthy of special attention, from the resonant and exceedingly musical tone which Mr. Waters has succeeded in attaining."—*N. Y. Musical World and Times.*

"Waters' pianos and melodeons challenge comparison with the finest made anywhere in the country."—*Home Journal.*

"The Horace Waters Pianos are pronounced by musical amateurs as a decidedly superior article to *all* the requisites of this instrument, and it is fast superseding those of other manufacturers."—*N. Y. Express.*

The New York Evening Post says: "The Horace Waters Pianos are *excellent* as well as *cheap*; but he has those of other makers, as well as second-hand ones, capitally adapted to limited means."

The Sunny South, reaches us with the following: "This gentleman is one of the most extensive music dealers in the Union. His pianos and melodeons have obtained great celebrity for their *excellent tone and durable quality.*"

Says the Valley City Advocate: "We have taken a look at a piano which has just arrived from the celebrated establishment of Horace Waters, and must say that for tone and beauty of finish, it surpasses any we ever saw for the price."

Horace Waters' Piano-Fortes are of full, rich, and even tone, and powerful.—*N. Y. Musical Review.*

FEVER AND AGE,

And the various affections consequent upon a disordered STOMACH OR LIVER, such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, will, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION.

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all those imitations.

Why is the Demand so Great for DR. MANN'S AGUE BALSAM?

Because it will, in all cases, safely and effectually cure that much dreaded scourge of the West—Chills, Fever and Ague—without fail, and in cases will counteract the poison of Malaria, of which fact thousands do testify and, unlike all other nostrums, it is only recommended for one class of diseases, and as a consequence, it cures. We will offer, for evidences of its worth, by men of influence and standing.

Princeton Ill., Sept. 29, 1857

DR. MANN—DEAR SIR: For several years past I have used your Ague Balsam in my daily practice, and have closely observed its effects in hundreds of cases, and in no case has it failed to produce the most happy effect. I can most cheerfully recommend it as a certain specific for chills, fever and ague, and malarious diseases.

Truly Yours,
H. AUSTIN, M. D.

Marshall, Mich. Feb. 11, 1857.

Dr. MANN & CO: I have sold a large amount of your Ague Balsam in this vicinity, and from my personal knowledge of its effects, believe it to be the best remedy for chills, fever and ague that has ever been sold in our State. Respectfully Yours,

O. A. HYDE.

Ashtabula, Ohio, January 1st 1858.

MESSRS. S. K. MANN & CO.—*Gents*: In canvassing the States of Ohio and Michigan for the sale of the different remedies of which we have control, our attention has been called to observe the great name that your Ague Balsam has gained for itself in every place where sold. It really seems to be *the peoples' pill*, and its sales more rapid than all others. Unedulated to surpass each all other ague remedies in the market.

Very Truly Yours,
A. & I. LIFFIN

New York, Feb. 23 1858

MESSRS. S. K. MANN & CO.—Gents: Thus at our house in St. Louis sold your Ague balsam some three years, and have carefully observed its effects in every, and must in all conscience say, I do not believe its equal exists in all the world of medicines. To my personal knowledge it has cured permanently every time, and I have known it used, after all other remedies had been tried in vain, with the most happy result. And what is more remarkable, I have never known a case but what remained cured, for at least that season. I have no hesitation in recommending it as a perfect triumph over chill and fever.

Respectfully Yours,

Dalley's Magical Pain Extractor.

DALLEY'S MAGICAL PAIN EXTRACTOR is all diseases inflammation more or dominates—now is alike inflammation strength at root of disease—hence as immediate cure and sole and nothing else, will allay inflammation at once and make a certain cure.

DALLEY'S MAGICAL PAIN EXTRACTOR will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises sprains, bites, poison, chilblains, biles, scrofula, ulcers, lever sores, felons, sore ankle, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles rash, &c., &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact that the active is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

DALLEY'S MAGICAL PAIN EXTRACTOR In its effects magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, work-shop, or manufactory should be for one moment without it.

No pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer.

Ayer's AGUE CURE,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the Malaria of miasmatic countries.

No one remedy is louder called for by the necessities of the American people than a safe and sure cure for Fever and Ague. Such a remedy we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from from or prevents this disorder must be of immense service in the communities where it prevails. Prevention is better than cure, for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "Crisis" expels the miasmatic poison of Fever and Ague from the system and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best preventive yet discovered for the ague districts, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where Fever and Ague prevails, every body should have it and use it freely both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of intermittents is, that contains no quinine or mineral, consequently it produces no opinion or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Chearpsh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "Crisis" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons traveling or temporarily residing in the malarious districts. If taken occasionally by those exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from intermittents, if they avail themselves of the protection it affords.

Sold by J. R. CORNEWALL, P. M. DEPAUW, and T. H. BARR & Co., Terre-Haute, Ind., and by all Druggists.

THE EYE.

OF all the organs which benificent nature has endowed man with, the eye is the most important, most complex, and most delicate in organization. From its exposed situation it is constantly liable to disease which assumes varied forms and which when neglected, or maltreated, too frequently terminates in blindness. Therefore it is therefore—absolutely necessary, that the practitioner shall be thoroughly conversant, not only with the eye ball and its appendages, but that he shall have a most accurate and perfect knowledge of all diseases to which that organ
