MARRIED:

On the 16th inst. by the Rev. G. W. Crawford, Mr. ISAAC WILLIAMS to Miss MARY ENGLES, all of this city.

Thus has the most reliable typo in our office performed the singular mathematical axiom of multiplying himself, and still remaining one—of performing an addition, without increasing in number—of being duplicated, and at the same time remaining a legal unit.

It is a metaphysical quandary, and none but an expert in that art "which is the preserver of all arts," could have the courage to undertake it, and none but a hero, could eve expect to survive.

But from the Devil up, we all join hands and shout, long life and happiness to the blushing bride and happy bridegroom. May they ever say

"Here Love his golden shafts employs, here lights
His constant lamp, and waves his purple wings,
Reigns here and revels."

On Monday the 17th, at the residence of Mrs. V J. Burnett, by Rev. E G. Taylor, Mr. GEO. AUSTIN BEARDSLEY, late of Salt Lake City, to Miss HENRIETTA C. BURNETT.

With the above came a most exquisite cake, which indicates the sweetness of the bride and the generous heartedness of the bridegroom, as well as thoughtfulness of both in remembering the printer, and insures to them the warm wishes of the members of the craft in this office, for their happiness, during a long series of years to come.

SPECIAL NOTICES.

Fever and Ague.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short space of time, and rendering him physically and mentally useless, can be defeated and driven from the body by the use of Dr. J. Hostetter's Renowned Bitters. The great success it has met with, and the beneficent results following its use, have established it as a permanent "institution." We would advise our readers to procure this valuable specific, and if an absent friend is afflicted with the Fever and Ague, or any other nervous disease, to hasten and procure this much favored and greatly desired article. A trial is all that is needed to prove its many excellent qualities.

For sale by Druggists, and dealers generally, everywhere.

WORTH KNOWING.—Prof. Wood, whose advertisement will be found in another column, has discovered a remedy for the gray and bald, which is at once practicable and cheap. It requires no dyeing, no wig, nor extraordinary trouble. There can be no doubt whatever of its efficacy. We have seen testimonials almost without number, and from men of great intelligence, high standing and moral worth.

Those who have been bald for years are now wearing their own hair, and appear ten years younger than they did six months ago. As in most cases gray hairs and bald heads are both premature and unnatural, it is a duty to remedy them by the natural and undoubted means which Prof. Wood has invested, and now kindly offers to the afflicted. Read his advertisement, try his wonderful remedy, and give the Prof. a new testimonial.—[Memphis Whig.

Its anecdotes alone are worth a bushel of wheat, and its medical advice is sometimes worth to the sick, the wheat's weight in gold. Many of the medical almanacs are trash, but this is solid. Its calculations are made purposely for this latitude and are therefore correct. Call and get an Ayers, Almanac, and when got, keep it.

HOWARD ASSOCIATION
Philadelphia.

A Benevolent Institution, established by special document for the relief of the sick and distressed afflicted with Fire Scourt and Epidemic diseases.

TO all persons afflicted with Sexual Diseases, such as Spermatorrhœa, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the Vice of Onanism, or Self-Abuse, &c., &c.

The Howard Association, in view of awful destruction of human life caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a Charitable Act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to furnish Medicines Free of Charge. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just Published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) Free of Charge, on receipt of Two Stamps for postage.

Address, for Report or treatment, Dr. J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.

IN ONE YEAR!

THE RESTORATIVE OF PROF. O. J. WOOD for Restoring hair perfectly and permanently, has never yet had a rival, volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following:

☞ TOO HAIR.—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By recent discovery of Prof. Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonic of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know of a lady who was bald, who used the article a short time, and her head is now covered completely with the tiniest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out which it restored in greater perfection than it ever had been before.

It is without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance, though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either on man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—[Woman's Advocate, Philadelphia.

COSHOCTON, O., Nov. 17, 1856.

O. J. WOOD & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents [R. M. Hackinson,] and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West, should you wish to make such an engagement, as I am convinced there is nothing equal to it in the United States, for restoring the hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores a sickly organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell.

Yours truly, S. T. STOCKMAN.

WAYLAND, MASS., Feb. 5, 1857.

PROF. O. J. WOOD & Co.—Gents: Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours, &c.

GOOD BOOTS AND SHOES
Versus
CHEAP BOOTS AND SHOES!

It has always been our motto, to prefer GOOD, substantial articles, to what are erroneously termed "*cheap*.

Good Boots and Good Shoes!

Are the kinds for all persons to procure, especially at this season of the year. For this reason, the subscribers invite their old customers and new ones to come and examine their now very extensive stock, of all styles of the above articles, including a large proportion of

THEIR OWN MANUFACTURE!

All of which are warranted! Now is your time to buy Good Boots and Shoes, which are in reality the only *cheap* ones. We leave others to keep, and "go" about "CHEAP Shoes"—we only profess to keep GOOD ones.
