THE GREAT FIRE IN CHILICOTHE, OHIO, ONE THIRD OF THE TOWN BURNT TO ASHES!!
CHILICOTHE, O., April 14, 1852.
MESSRS. STEARNS & MARVIN: Gentlemen—Your safe in the late fire in this place, in every case to us, EXCEPT VALUES, was perfectly good for contents. Our loss was $100,000. THE SAFE CAPITOL DESPATCH, set in a small STORE, SO SMALL SO MANY DIDN'T THINK IT WORTH ANYTHING, WAS INJURED. Your obedient servant, WM. T. CLEMSON.

The above letter shows that, in a real Sal. Ses. RICH'S SALAMANDERS ARE THE ONLY SAFES TO BE DEPENDED UPON. In the Power street fire, ELEVEN SAFES, of different makers, were TOTALLY DESTROYED—RICH'S SAFE ALONE holding outside to the flames, preserving notes, bonds and mortgages to the value of $100,000. The Chicago fire is a parallel case. EVERY SAFE BUT RICH'S IS DESTROYED. There is no other safe can prove this. RICH'S is DESTROYED. There is no other safe can prove this. Certainly that Wilder's Patent Submonitor, with RICH'S IMPROVEMENT, are the best Safes made in the United States, or in the whole world.
☞ They can be had at the Depot, 194 Water street, and the Factory, corner of St. Mary's Place and Avenue A.
STEARNS & MARVIN.
☞ The subscriber continues to be the Sole Agent in this city of the above-named manufacturers, and has constantly for sale a large store, and good assortment of their SAFES. Those who are aware of the superior of EFFECTING INSURANCE on their bonds, papers and other articles of small bulk, but great value, are invited to call and examine FOURTEEN TESTED SAFES, together with thirty-five others, taken from those who have saved MORE THAN A MILLION DOLLARS IN RICH'S SAFES.
ISAAC BRIDGE, 78 Magazine street. [ap14 tf]
