IMPORTANT INFORMATION!

DR. WHITE, having removed his office from No. 32, Vine Street, to No. 7, Pine Street, St. Louis, Mo., continues to be consulted on all diseases of a *private or delicate nature.* By a long course of study and practical experience of unlimited extent, Dr. W., has the gratification of presenting the unfortunate with remedies that have never failed to cure the most alarming cases of

Gonorrhea and Syphilis!

Beneath his treatment all the horrors of Venereal and Impure Blood, Scrofula, Gonorrhea, Ulcers, pains and distress in the regions of Procreation, Inflamation of the Bladder and Kidneys, Abscesses, Humors, frightful Swellings, and the long train of horrible symptoms attending this class of diseases, are made to become as harmless as the simplest ailings of a child.

Seminal Weakness.

Dr. W., devotes a great part of his time to the treatment of those cases caused by a secret and solitary habit which ruins the body and mind, unfitting the unfortunate individual for either business or society.

Some of the sad and melancholly effects produced by these early habits of youth, are Weakness of the Back and Limbs, Dizziness of the Head, Dullness of Sight, Palpitation of the Heart, Dyspepsia, Nervousness, Derangement of the Digestive Functions, Symptoms of Consumption, &c., &c.

The Fearful Effects on the Mind are much to be dreaded, viz; Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Timidity, &c., &c., are among the evils produced. Such persons before contemplating marriage, should consult a physician of skill and experience and be at once restored to health and happiness.

Fever and Ague Cured—Warranted

All letters containing a fee, addressed to C. D. White, M. D., St. Louis, Mo., will meet with prompt attention and medicine forwarded secure from observation. The strictest secrecy observed in all cases. ☞ Don't forget the place, No. 7, Pine street, St. Louis, Mo.

That Great Remedy!
So Long Sought,
FOUND AT LAST.

This remedy, claimed by the medical profession and the multiplied thousands that have used it and tested its *wonderful curative* properties, to be the greatest discovery in medical science, and nature's own remedy, is the result of years of toil and study, by one of Ohio's favorite physicians, in order to produce something that would meet the wishes of suffering humanity, and thousands from the princely palace and humble cottage can testify to the immediate relief found by its use. For want of space we only offer a few of the many evidences in its favor.

MOLINE, ILLS., Feb. 19, 1857.

MESSRS. S. K. MANN & CO.—Gents: We find your Ague Balsam superior to any remedy in our market for the permanent cure of all malarious diseases. We cheerfully recommend it as worthy that great name it has wherever sold and used.

Very Truly Yours,
RICHARDS & THOMAS.

To the sufferers of chills, fever and ague, I cheerfully submit the following: Having observed closely the effects of Dr. Mann's Ague Balsam in this vicinity for the past three years, I am well pleased with its remedial virtues as an antidote to malaria. I have frequently used it in my practice and with entire satisfaction. From my intimate knowledge of this compound, I recommend it as safe, prompt and efficient

THE EYE.

OF all the organs which benificent nature has endowed man with, the eye is the most important, most complex, and most delicate in organization. From its exposed situation it is constantly liable to disease which assumes varied forms and which when neglected, or maltreated, too frequently terminates in blindness. It becomes therefore—absolute necessary, that the practitioner shall be thoroughly conversant, not only with the eye ball and its appendages, but that he shall have a most accurate and perfect knowledge of all diseases to which that organ is liable.

In presenting this card for public consideration, I would observe, that after an experience of over ten years in the principal ophthalic hospitals of Europe, together with the advantage of a large private practice I am prepared to treat all diseases of the Eye with that certainty of success which can only be accomplished by years of experience.

And the various affections consequent upon a disordered STOMACH OR LIVER, such as Indigestion Acidity of the Stomach, Colicky Pains, Heartburn Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION.

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
