THE MEXICAN
MUSTANG LINIMENT.

THE popularity of the Mexican Mustang Liniment is co-extensive with the civilization of the globe. Other articles claim to alleviate pain and distress—this cures. Family Physicians, Government Hospitals, Farriers, Planters, Farmers, Livery men, &c., have practically demonstrated this fact, throughout the world. No article ever received such undivided praise and support from Medical and Scientific men.

RHEUMATISM

Of years' standing, has been totally cured. Fill s, Ulcers, Tumors, Running Sores, Scrofula, Stiff Joints, Felons, New-large Burns, Blues, Boils, Chaps, Sore Nipples, Salt Rheum, and all aches and pains upon man, and kindred complaints upon

HORSES, CATTLE, &c.,

Such as Ring-Bone, Gall, Scratches, Spavin, Poll Evil, Sarcoidy, Hoof-ail, etc., are vanished and cured by the MUSTANG LINIMENT.

Valuable Horse Saved—Mr. S. Linck, Hyde Park, Vt., writes: "Just the horse was considered worthless, (his case was spavin,) but since the free use of Mustang Liniment, I have sold him for $180 cash. Your Liniment has been doing wonders up here."

139 Broad Street, Philadelphia, Pa.

(Extract) "In lifting the kettle from the fire it became unmanageable, tilted over, and scalded my thigh very severely, about 10 A. strip. It was an awful sight. The Mustang Liniment suspended the intense pain, it healed rapidly, without soreness, and left no scar or stiffness."

Yours truly, "CHARLES FOSTER."

Such testimony as this is but the constant and natural echo wherever this article is used.

This Liniment is indispensable to planters and owners of horses and mules. Mr. John Daniels, of Montgomery, Ala., sold a slave for $800, who was raised from utter uselessness by this Liniment. Every family should have it. We very respectfully ask enquiry for the Mustang Liniment and take no other. Sold by all dealers throughout North and South America, Europe, and all the Islands of the Ocean, for 25 cents, 50 cents and $1.00 per bottle.

Dr. G. W. PHILLIPS' Magic Cough Syrup!

IS THE ONLY RELIABLE REMEDY for the rapid and permanent cure of Coughs, Colds, Influenza, Bronchitis, Hoopingcough, Croup, Sore Throat, Bleeding Lungs and all diseases of the Throat, Lungs and Chest. Their remedy is safe, reliable, and the only one that has proved itself a universal remedy for all the above diseases. The testimonials which I have from our most distinguished citizens here at home, who have been cured by its magic power.

Important Testimony.

From Honorable J. W. Chapman, Judge of the First Judicial District, Indiana.

Madison, Ind., Nov. 22, 1858.

Dr. G. W. Phillips, Cincinnati, Ohio—Having used several small bottles of your "Cough Syrup," personally, and in my family, and having seen its effects upon others, in numerous instances of severe colds and coughs, I most cheerfully recommend it as an useful and efficacious remedy in all such cases. If this syrup were in general use, I confidently believe a large majority of the colds, so generally prevalent in winter, that now terminate in consumption, would be effectually arrested. In fact I can see no necessity for any, who can obtain the remedy, being thus afflicted.

Respectfully yours, J. W. CHAPMAN.

Laryngitis Cured without Faith.

From Rev. Jos. Brown, Minister of the Reformed Presbyterian Church, Madison.

Madison, Ind., Oct. 22, 1855.

Dr. G. W. Phillips—Dear Sir: About a year ago I had an attack of laryngitis, to which I have been subject for a number of years. Learning that this was the fact, you handed me a bottle of your Cough Medicine. My confidence in your preparation was, I confess, not great. Nevertheless, as it was innocent and could do no harm, I was induced to try it, and am happy to say, with entire success. It not only cured me then, but I have had little or no affection of the kind since. This statement is cheerfully given with the hope that others may be induced to follow my example, and receive the same benefit.

I am yours, &c., JAMES BROWN.

Read this, also.

From Hon. R. Stover, L. L. D., Judge of the Superior Court of Cincinnati.

Cincinnati, Dec. 5, 1856.

Dr. G. W. Phillips—Dear Sir: Your Cough Mixture has been used with great success in my family. I believe it to be a most safe and efficacious preparation for the cure of ordinary colds, as well as of chronic affections of the throat and lungs. Many of my neighbors, who have felt the good effects of this medicine, assure me that they regard it with great favor. R. STOVER.

Joy to the Admirers
OF A FINE HEAD OF
RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following, and if you ask more, see circular around each bottle, and so one can doubt.

PROFESSOR WOODS HAIR RESTORATIVE.—We call the attention of all old and young, to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a constant flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon bald, the gray, or diseased in scalp, to use it, and strictly the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks ago:

DEAR RIVER, CONN., July 23, 1856.

MR LEAVENWORTH—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the the 1st, and purchased one bottle to try it, and I found to my satisfaction it was the thing; it removed the scurf and new hair began to grow—it is now two or three inches in length *where it was all off*. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here.

Yours with respect,
RUFUS PRATT.

PHILADELPHIA, Sept. 9, 1855.

PROF. WOOD—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact bald. I have used but two half pint bottles of your Restorative, and now the tip of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.

D. R. THOMAS, M. D.,
No. 404 Vine street.

VINCENNES, IND., June 22, 1853.

PROF. O. J. WOOD: As you are about to manufacture and extensively introduce your Hair Restorative, I will state, for whomsoever it may concern, that I have used it and know others to use it—that I have, for several years, been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all this, without discoloring the vehicle that applies it, or the dress on which it drops—I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,
WILSON KIMBALL.
