IMPORTANT TO PROPERTY OWNERS!
Bridgewater Paint,
FOR WOOD, BRICK AND OTHER BUILDINGS, STEAMBOATS SHIPS, RAILROAD CARS, DEPOTS AND ALL OUT DOOR WORK, ALSO FOR ALL KINDS OF IRON WORK, ABOVE AND UNDER WATER.
☞ The attention of the public is respectfully called to the following testimonials in favor of the celebrated BRIDGEWATER PAINT. It is necessary for the Agents to remark that, whether EIGHT MONTHS or in the South, the character of the Paint is fully established, and it is now offered to the public as the best FIRE AND WEATHER PROTECTOR EVER DISCOVERED.
CERTIFICATE OF Jno. F. MILLER, OF ATTAKAPAS
In July last I was induced to apply the Bridgewater Mineral Paint to my Brick house, and, in every respect, it has exceeded my expectations and the representations made by the Agent, Mr. Henry C. Bogert & Co. I cheerfully add my testimony to the numerous encomiums of Mr. Agents' circular, and recommend the Paint to my friends generally, and to the best FIRE AND WEATHER PROTECTOR I have ever heard of. When I have applied it, it has been exposed to the sun since the July, and has not yet blistered nor cracked, but has formed a solid metallic surface, which has proved entirely impervious. Genuinely yours, JOHN F. MILLER.
New Iberia, Attakapas, March 14, 1852.
CERTIFICATE OF CAPTAIN ST. CLAIR THOMASSON, OF STEAMER MAGNOLIA
Having painted the increase deck of the passenger steamer MAGNOLIA, under my command, with the BRIDGEWATER PAINT, I cheerfully recommend it for its IMPORTANT qualities, and have no hesitation in pronouncing it SUPERIOR, in my judgment, in every point before the public, and believe it to be a CERTAIN PROTECTION AGAINST THE EFFECTS OF SPARKS AND CINDERS. It has also proved ENTIRELY WATERPROOF on my decks, after three months use. (Signed) ST. C. THOMASSON.
New Orleans, December 1, 1851.
CERTIFICATE OF CAPTAIN WILLIAM BROWN, OF TOWBOAT PORPOISE.
I have used the BRIDGEWATER PAINT, for which Messrs. G. C. BOGERT & CO. are Agents, on the starboard side of the Towboat PORPOISE. The Paint has been on about three months, and SPARKS and CINDERS CONSTANTLY falling upon it, has had NO EFFECT WHATEVER.
It does four works; it becomes a PERFECT SLATE, and I am satisfied of its possessing all the qualities necessary to a Fire-proof Paint. I cheerfully recommend the BRIDGEWATER PAINT for the purposes set forth in the Agents' Circular.
(Signed) WM. BROWN, Captain of Towboat Porpoise.
New Orleans, December 1, 1851.
CERTIFICATE OF THE MANAGERS AND AGENTS OF LOUISIANA DRY DOCK CO.
Having had the LOUISIANA DRY DOCK painted with the SHIPS BRIDGEWATER PAINT, and as the Company have found it fully equal in qualities with Captain Thomassom of the MAGNOLIA, and Captain Brown of the PORPOISE. We cheerfully recommend and PAINT as a SUPERIOR ARTICLE. HUGHES, VALLETT & THOMAS, (Signed) Louisiana Dock Yard.
J. P. WHITNEY & CO., Agents Louisiana Dry Dock Co.
New Orleans, February 6, 1852.
CERTIFICATE OF JOSEPH BENSON, PAINTER.
I have used the BRIDGEWATER PAINT, on a particular purpose, on brick and plastered buildings, and on tin, shingle and canvas roofs, in every manner it has given the utmost satisfaction.
From tests and experiments made under my immediate direction, I can safely say its is the PROOF AGAINST THE EFFECTS OF SPARKS AND CINDERS, and a protection against heat, in a degree superior to any Mineral Paint I have ever tried, and unsalable for all outdoor purposes, possessing durability and qualities that particularly recommend it for use in a Southern climate. JOSEPH BENSON, Painter.
New Orleans, February 6, 1852. 12t Camp street.

The undersigned, Underwriters, having confidence in the BRIDGEWATER PAINT, for the covering of wooden roofs and frame buildings, and all at times give them the claim a preference over the Fire Proof Paints, we apply the Agents to use our names.
