COMMERCIAL SUMMARY.

Foreign Markets—per Steamer.

Liverpool, October 15—Cotton—There has been a brisk demand during the week, which has been freely supplied, at gradually hardening prices, and middling qualities may be quoted at about ⅛d ⅌ lb dearer since last Friday. Trade in Manchester continues very good, and the demand quite equal to the production. Stock this day, 617,180 bags, of which 307,170 are American; do. last year, 556,779 bags, of which 357,640 are American. Sales this week, 74,180 bags, including 56,600 American—26,310 bags being on speculation, and 1430 bags to exporters.

Provisions—Beef is almost neglected, and all other articles are nominal, there being no stocks.

Rice—Quercitron is more looked for, and is 3d dearer.

Oil—Sperm is wanted.

Tallow—Has advanced considerably, with large daily sales on the spot, and to arrive at extreme quotations.

Rice—⅌ firm at last rice.

Brimstone—All kinds have been in animated demand throughout the week.

Flour—Is up to 32s for all good sweet brands.

Wheat—Has scarcely advanced in proportion, being more liberally supplied, but a very large business has been done.

Corn—There being no Indian Corn here, buyers have taken freely of floating cargoes, at an advance of 6d to 1s ⅌ quarter. Jas. McHenry.

COTTON MOVEMENTS AT LIVERPOOL.

	1852.	1851.
The receipts from January 1 to Oct. 15, are ..... bales.	1,803,941	1,525,812
Consumption	1,582,240	1,324,899
Stocks	478,700	556,822

The advance in price at Liverpool, for the week ending October 15, was 1-16@⅛d.

Dublin, October 9—Provisions—The supply of new Bacon still continues inferior to the demand, while old is going out fast, and what is now offered is of inferior quality. New is quoted at present at 58s to 60s, being 1s advance since last week's report, while old bacon are from 52s to 56s. American, 50s to 52s. Hams are quoted for new, 48s to 52s; old, 38s to 42s. The present high price of Pigs has caused dun bladdered Lard to reach 58s to 60s ⅌ cwt, while the high price of Tallow has operated similarly upon the rough qualities, which range from 48s to 51s 4d. The Irish Provision trade is likely to receive a considerable stimulus, as the government naval contracts, just closed, show 1800 bbls Beef at 72s 10d; 500 tierces at 65s 2s 6d; 400 at 65s 1s 6d; 150 at 55s 6s 10d; and 1000 tierces Pork from 45s 1½s to 46, with 500 bbls at about 23 10s.

Butter—The market is somewhat easier, though a decline of 4s ⅌ cwt is observable. The export trade, although large shipments are still sent forward, is not quite so good. Prices range from 86s to 77s; cool, 6¼ to 9d ⅌ lb.

Hovre, October 18—Our Cotton market, owing to the last intelligence from the United States and from Liverpool, continues in a dull state, the sales to-day amount only to 400 bales, and as regards prices, we consider them of 1c to 1c 5d below the quotations of last week, which are annexed.

	Ord.	Bas.	Tw.-o	Ordin.	Bord.	F.-ordr.	Cur.	B.-cur.
New Orl.	73	80	89	96	100	103	107	
Mobile	73	80	83	92	95			
Upland	73	80	85	90	93			

The weekly sales do not exceed 4775 bales, against 424 last week, and 1000 bales of stock only; the entry was at 80,000 bales, of which 28,000 bales United States. The following are the sales effected: 1201 bales New Orleans, 173 do 100; 1270 do Mobile, 174 do 89; 785 do Upland, 174 do 92; 70 do Bowed, 80 do 81; 630 do Cumming, 187; 610 do Fernambuco, 187.

Hamburg—The market for Coffee remains very firm, and a large business will have been done but for the higher pretensions of holders. Sales during the week—6500 bags Brazil at 33¾ to 43c; 1000 bags St. Domingo at 8 12-16 to 8¾ ⅌ lb. Opinion is improving for Sugar, and in some instances rather higher prices have been paid; 1000 boxes brown and yellow Havana sold at 10¾ to 17, 600 chests brown Bahia at m 11¾ to 12 ⅌ cwt. Rice is in demand, 150 tons Carolina found buyers at 11¼ to 13 ⅌ 100 lb. 10,000 bags East India at m 7¾ ⅌ ct. Cotton remains in request. 1200 bales American changed hands at an advance of 8 ⅌ ct to ¾ ⅌ lb.

Per Pacific!

Liverpool, October 20—The advices from America by the steamship Africa, had a depressing effect upon the Cotton market, and the improved tone reported as prevalent at the departure of the Niagara, on the 13th inst., came too late. The sales for the three days comprised 32,000 bales, of which 23,000 were American. The quotations are precisely the same as those brought by the Niagara. Sales of Orleans, 4¾d; Middling Orleans, 5d; Fair Mobile, 5¼d; Middling Mobile, 5¼d; Fair Uplands, 5¼d; and Middling Uplands from 5¼ to 5¾d. On the 20th inst., the day the Pacific sailed, the market opened with an active demand, and from the appearance at noon on that day, it was probable that from ten to twelve thousand bales were sold before its close.

Breadstuffs were unchanged. The Coffee market was dull. The Rice market was firm with an upward tendency, and a large business was doing.

State of Trade—At Manchester, trade and prices have considerably improved.

The Money Market—Consols had advanced, closing at from 100¾ to 100¾ for money, and 100¾ to 100⅞ for the 14th of November.

Havre Cotton Market—Up to Monday, the 18th inst., a large business was transacted, but the Africa's advices received that day, had a similar effect on the market as they had at Liverpool, depressing it, and causing it to lose its previous improved tone.

Domestic Markets.

Boston, October 30—Cotton—There is an increased demand for this article, owing to the favorable foreign advices, and buyers are more ready to pay the full asking prices. The sales of the week have been 1200 bales at our quoted rates. The stock on hand is small, and but very little of the new crop.

IMPORTS FROM JANUARY 1 TO OCTOBER 27.

	1852.	1851.
Sales	218,488	352,606

Norfolk—The market is quiet, and small sales of Kentucky Leaf in the range of quoted rates:

New York, October 30—Cotton—The Cotton market was dull and drooping all the week, which closed at a decline of ⅛c from the closing prices of last week. The continued fine weather is giving confidence in a large yield, and the increasing receipts at the Southern ports will greatly relieve the present shipping demand. That, however, upon the increase, and will be accelerated by every per centage of decline. The sales of the week, ending last evening, were only 2400 bales. The following are the closing prices:

Full fair to good fair	—@—	—@—	—@—
Good to fine	—@—	—@—	—@—

To-day the market has been active, and the sales reach 3000 bales at unchanged prices.

Tobacco—The market is active to-day, there being a good export and home demand; 300 hhds Kentucky sold at 5¼@6¼ and 11c; Mason County 6¾; 200, cases Pennsylvania and Ohio Seed Leaf at 5¼@12c and 20 ditto Havana at 38c.

Breadstuffs—Flour favored owners. The receipts were less in extent than the demand. The day's sales comprised 15,600 bbls. Ordinary to choice State at $4 62½@$4 81¼; superfine Canadian, in bond, at $4 62½@4 68¾; common to good Ohio at $4 68¾@4 81¼; mixed to fancy Western at $4 68¾@4 87½; and ordinary to favorite Southern at $4 81¼@5. There were 30 ⅌ cent Rye Flour obtained at $4 25@4 37½. Nothing new transpired in Meal. Wheat exhibited a rising tenor. The sales reach 20,000 bushels White Western at $1 00¾@1 10; 15,000 do. Canadian, in bond, at $1 02@1 07; and 4000 damaged and very common Canadian at, according to quality, from 75c ⅌ bushel.

Tallow—The price remains unsettled. We hear of some transactions at 8¾ to 9c ⅌ lb, but higher rates are generally demanded.

Provisions—To Liverpool we have to notice engagements of about 20,000 bushels of Wheat, part in bags, at 6¾d, and the remainder in bulk, at 6¾@7d; 1000 to 2000 bbls Pork were engaged at 2s, and about 300 bales Cotton, part at ⅛d. To Glasgow, Flour was at 2s 3d, and Cotton at 5¼@5¾d. To Bangor, Flour was at 2s 3d, and Cotton at 7¼@8¼d. There was no alteration in rates for London. Cotton to Havre was at ⅝c. To California rates were steady, and ranged from 35c@50c ⅌ foot.

Provisions—Pork was better at lower rates, and 400 bbls were sold at $14¼@14½ for prime, and $15¼@16¾ for Mess. Nothing new occurred in cut meats or dressed Hogs. Lard was in better demand, and 1100 packages changed to prime on final terms at 10¼@10½c ⅌ lb. Beef remains dull, however, 300 bbls changed hands at $4¼@5¼ for country prime; $8¼@9¼ for do. Mess ⅌ bbl. Butter and Cheese ruled the same.

Money Market—Exchange—Foreign—There have been heavy transactions in exchange since our last. The principal drawers are asking 110¾, but large sales have been made at 110@110¼. We quote as follows:

On London	110 to	110¼
On Paris (sixty days)	5f.15 to	5f.13¾
On Paris (sight bills)	5f.12½ to	5f.11¼
On Amsterdam	41 to	41½
On Hamburgh	35½ to	36¼
On Bremen	79¼ to	79½

Stocks, &c.—There was an active business at the stock board this morning, the largest transactions being in Long Island Railroad, of which nearly four thousand shares changed hands, closing at 30, an advance of 1¼ since yesterday.

In government stocks the sales were confined to one thousand dollars shares of 1856 at 103¾. Five thousand dollars Indiana preferred canal fives were sold at 97, and twenty thousand two and a-half cents at 60. The activity in these last mentioned stocks during the present week is attributable to proceedings under the general banking law of the State.

In railroad shares business was moderate. Sales of Erie Seventy at 104¾. Convertibles of 1862 at 89¾, and Convertibles of 1871 at 98. Hudson River first mortgage brought 108, and Long Island Railroad bonds 75, an advance of 3 on sales early in the week.

Specie—The payments at the Sub-Treasury continue light:

Philadelphia, October 28—Cotton—The market opened languid and dull, and sales difficult to be made, except at a decline on previous rates. The smallness of the stock, however, and the more favorable tone of the foreign advices have stiffened prices somewhat within a day or two, and the market closes about stationary; the week's sales reaching some 750 bales, mostly within the range of 10a12c for Uplands and New Orleans, cash and time. The following are the movements in this staple, for the last four seasons, commencing the 1st September in each year:

	1852.	1851.	1850.	1849.
