WINER'S

CANADIAN VERMIFUGE.

A CERTAIN REMEDY FOR WORMS.—This medicine is safe in its operation and more easily administered than any other.

THE GREATEST CAUSE OF DEATH among children is to be attributed to Worms. They give rise to numerous diseases, and are the more fatal because least suspected. Were parents to give this subject more attention, and carefully observe the symptoms which indicate the existence of worms in the bowels, THE LIVES OF MANY CHILDREN WOULD NO DOUBT BE SAVED.

WINER'S CANADIAN VERMIFUGE has acquired a reputation far exceeding that of any other medicine of the kind, and is daily increasing in popularity. Wherever it is known and used it has been UNIVERSALLY APPROVED. It possesses properties which no other article of the kind does, is MORE PROMPT AND EFFICIENT in its action, and entirely free from injurious ingredients, which have any but a beneficial effect, the health of the patient being always improved even when no worms are discovered. Physicians prescribe it, and to use the language of one in high standing, who resides in Cleveland, Ohio, consider it "the only articleof the kind he ever saw that was so uniform and prompt in expelling worms," if may indeed be relied on with the prompt confidence, as it has NEVER BEEN KNOWN TO FAIL. This is the reason why ALL who have used will not use any other.

We have in our possession a number of certificates from physicians and others of the highest respectability, who all testify to its superior efficacy and recommend it as a never-failing remedy.

☞ Be particular and remember the name, "WINER'S CANADIAN VERMIFUGE;" this is the only article that can be depended on. REMEMBER THIS.

Prepared only by J. WINER & CO. 83 Maiden-lane.

Sold by Wyatt & Ketchum, 121 Fulton-st; J. I. Coddington, 303 Hudson, cor. Spring-st; R. A. Sands, 188 Bowery cor. Spring-st, N. Y.; Mrs. Hays, 139 Fulton-st, Brooklyn, and by Druggists generally.

DR. MOTTS' BALSAMIC

SYRUP—For colds, coughs, consumption, bronchitis, asthma, weakness of the chest, &c. The effect of this highly-concentrated Syrup is to remove all impurities from the system, restore the blood to a pure state, act gently and soothingly upon the lungs, liver and kidneys, and to bring back the deranged functions of the body to a healthy and vigorous action. This medicine is composed of ingredients which are separately in extensive use by the most eminent physicians, but this peculiar combination is only found in this invaluable Syrup, where they are combined so as to secure the most prompt and efficient action upon the system, and may be administered to infants with perfect safety. An important quality of this mostlagious Syrup must not be overlooked, that while it is eradicating disease, it has no debilitating effect upon the system. At all seasons of the year it is particularly advisable to guard against those insidious colds and coughs which are the incipients of bronchitis, asthma, consumption, and every family should provide itself against those enemies of health, by having on hand some of this truly valuable medicine. It is not impaired by age, is very pleasant to the taste, and requires no change of diet or habit while taking it.

The genuine has "Dr. Motts' Balsamic Syrup" cast on the bottle, and the accompanying printed label, giving directions for use, is signed by F. F. Ripley.

Price 50 cents a bottle. For sale wholesale and retail, by F. F. Ripley, Sole Agent for the proprietors, corner Park-place and Broadway, New-York, and at A. B. & D.
