A PRESENT FOR HUSBANDS.

No gift can charm a husband's heart
Like that which saves a husband's pocket;
And wives who rightly know the art
To win a gift, with gifts unlock it!
Make him a present, large or small,
And don't stand thinking, will you, shall you?
Then if he be a man at all,
He'll give you back ten times its value.

Hie to ARNOLD & Co.'s—men of fame,
And from them some faultless garment;
A thousand wives have done the same—
So modesty is no debarment.
With this surprise him, and if thus
Surprised, he don't "plank down the ready,"
Why, then—"he's but a poor mean cuss,"
Who don't deserve so sweet a lady.

BRIDGETON, Ind., Aug. 22, 1859.

DR. C. W. ROBACK—*Dear Sir*:—In the summer of 1853, while in the creek swimming, I received a hurt in the small of my back, which I paid but little attention to at the time; but in a short time I was confined to my bed, from which I was not able to raise myself up for several months. After using various medicines, I got the pain partially removed; but the disease still kept progressing, and death seemed to be in sight; but still I felt anxious to be trying to see whether I could find some medicine that might relieve me of my suffering. It seemed all in vain. I tried various physicians, and some very eminent ones in your city. But they gave me no encouragement, and I became almost overwhelmed with despair. My connection and my neighbor's doctors told me that I never could get well. This discouragement, with the afflictions of my mind and body, almost upset my hope of ever getting well; and to think of having to linger a few days or years, and be a trouble to my relatives, was an awful thing for me to think of. Ah! I would have prefered the silent tomb.

It would be worthless for me to attempt to tell you of all the nostrums I have taken, and all proved worthless in my case. In the fall of 1858, I chanced to pick up one of your Almanacs, and learning your address, I concluded to give you a history of my disease. As I scanned over its pages hope sprung up, and I thought I would make one more trial; and a beneficial trial it was to me, for at that time I could not stand alone without my crutches. The spinal bone had curved out and thrown me out of shape. But I must say, before I leave off, that since you sent me the Blood Purifier and Blood Pills, and Scandinavian Remedy, that I have not suffered much. Instead of being confined to my bed, I am able to follow the plow, and do any kind of work, except chopping or mauling rails. Doctor, I feel it my duty to let you know what your medicines have done for me, and if you see proper you can publish this for the benefit of those afflicted with spinal complaint; and if there are any who have any scruples as to the truth of this, let them address Mr. F. F. Robbins, I. Briggs, T. Day, Rev. J. Smith, Rev J. Bruffer—all at Bridgeton, Ind.

Yours respectfully, A. M. JACKS.

SABBATH SCHOOL SCHOLARS.—Remember that the series of gratuitous lessons in vocal music by Mr. Irving, to the Sabbath School scholars of this city, will commence at 4 o'clock this evening, in the Lecture Room of the Congregational Church. We hope parents will take sufficient interest in this matter to insure the attendance of every Sabbath School scholar in this city.

SPECIAL NOTICES.

☞ The success which attends the use of Dr. J. Hostetter's Celebrated Stomach Bitters evinces at once its virtues in all cases of debility and disease of the Stomach. Certificates almost without number have been published, attesting its almost miraculous power in removing those painful and fearful diseases. And at this time it seems idle to do more than call attention to the great remedy of the age, in order to awaken public attention to its excellence. It is the only preparation of the kind that is reliable in all cases, and it is therefore worthy of the consideration of the afflicted. The Bitters are pleasant to the taste, agreeable in their effects, and altogether valuable as a tonic or remedy for indigestion.

For sale by Druggists and dealers generally, everywhere. [Sept. 13, dwlw.

THE GREAT DISCOVERY OF THE AGE.—Prof. O. J. Wood, in the discovery of his unrivalled Hair Restorative, has conferred upon mankind a lasting benefit. No such sovereign remedy for all diseases of the hair has ever been discovered.—Never known to fail of accomplishing all that is claimed for it, thousands now daily use it with infinite advantage to themselves. Every day the proprietors receive letters testifying to its merits, and enumerating the benefits resulting from its use.

To those who are in this way afflicted, we can commend the Hair Restorative as a safe and reliable remedy. See the advertisement in another column, wherein will be found testimonials from numerous well known firms and individuals. [sep13]

☞ The following complimentary notice taken is from the Missouri Democrat:

IMMENSE AMOUNT OF SUFFERING RELIEVED BY TAKING McLEAN'S STRENGTHENING CORDIAL.—Since the 17th of August, the following case have been reported cured:

165 persons have been cured of General Debility.
28 " " " Nervous Debility.
36 " " " disease of the Kidneys
180 " who have been afflicted with various complaints, Fever, Chronic Diarrhea, Dysentery, Liver Complaint, Night Sweats, Dyspepsia, and Weakness of the Digestive Organs, have been cured, besides a large number from whom we have not yet heard.

McLean's Strengthening Cordial and Blood Purifier is a remedy required by every one in the Western and Southern country. It is very pleasant and agreeable to take, and it can be taken by man, woman or child.

As a diuretic, it will cure any disease of the Kidneys or Bladder, and as an alterative, it will purify the blood, and remove all pimples, sores or blotches from the skin.

Try it—one drachm is sufficient to convince the most sceptical of its wonderful strengthening and invigorating properties.

Blood Purifier and Blood Pills.

DR. ROBACK'S
SCANDINAVIAN REMEDIES.

WHEN DR. ROBACK, THE CELEBRATED Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative properties. This was years ago. The task of recommending them has since been taken out of his hands. Enlightened men whose character for sound judgment and philosophy, gives their opinions weight in the community, men who observe, reflect, and make "assurance doubly sure" before they decide—are everywhere approving and urging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who chose to investigate for themselves are now of one mind on this important subject.

Dr. Roback invites the attention of the sick to the

ORIGINAL LETTERS,

From members of the Medical Profession, Editors of public Journals, well known Merchants and Farmers, and Ladies of the highest respectability, giving accounts of extraordinary cures wrought by the remedies, of which cures they themselves were

EYE WITNESSES.

These parties may be consulted personally or by letter, by those who have any doubt upon the subject. The evidence in the possession of Dr. Roback, which is at all times accessible to the public, establishes the following

FACTS:

That the Blood Purifier and Blood Pills have been proved by analysis to

CONTAIN NO MINERAL;

That they cure the almost universal complaint,

DYSPEPSIA

with unerring certainty, and in a very short time. That after all other medicines have proved useless, they relieve

LIVER COMPLAINT.

and restore the health and strength of the sufferer. That

SICK FEMALES,

who have languished for years in helpless weakness and despondency, recuperate with great rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gently stimulating properties. That they recruit

SHATTERED CONSTITUTIONS,

however they may have been trifled with and abused; that their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the poison of disease in the blood, they

CAUSE SOON TO HEAL,

and discharge from the system, every taint of Scrofula, whether hereditary or otherwise. That they

RECRUIT THE DEBILITATED,

and that there is no disease of the Stomach and Bowels, the liver, the nervous system, the skin, glands or muscles, in which they do not give prompt relief, and, (if administered before the very vitals of life has been invaded,) effect a painless and perfect cure.

Price of the Scandinavian Vegetable Blood Purifier, $1 per bottle, $5 per half dozen. Of the Scandinavian Vegetable Blood Pills, 25 cents per box, or 5 boxes for $1.

Read Dr. Roback's Special Notices and certificates, published in a conspicuous part of this paper from time to time.

Dr. Roback's Medical Almanac and Family Adviser, containing a great variety of interesting and valuable Medical information, can be had gratis of any of his Agents throughout the country.

In difficult or complicated Cases, Dr. Roback may be consulted personally or by letter enclosing one stamp for the reply.

From Rev. Mr. McMullen, Pastor of Roberts Chapel.

INDIANAPOLIS, Oct. 6, 1857.

DR. C. W. ROBACK—Dear Sir: I have used your Blood Purifier for a nervous affection, from which I have suffered much at times. While it is pleasant to taste, it certainly has a happy effect upon the nerves. Please accept my thanks for your kind regards, and believe me Yours,

The House Furnishing Goods Department,

Although under one supervision, is separate and distinct from the other branch of our business. Occupying the Second Floor, it has two decided advantages that it would not have were it occupying a lower room—both of which are a benefit to our customers as well as to ourselves.

1st. Being subject to very little or no expense, we can afford to sell at a much less profit, and still make money. The customer is here benefitted with the difference of expense, as that would have to be added to the cost—the purchaser of course having to pay for the expense. Just think of this when you are buying CARPETS elsewhere.

2d. Being the largest buyer for this market in two lines of Goods, one of which is

CARPETS,

we can buy them lower. Upon the same rule we can afford to sell them less, besides not being confined entirely to the profits of

HOUSE FURNISHING GOODS

OR

DRY GOODS,

but both combined, our customers for Dry Goods being the same for Carpets, Wall Paper, and House Furnishing Goods, we feel disposed to sell them low. What would seem a very small profit in Carpets—in fact too small to pay expenses by itself—when added to the small profit of Dry Goods, the two combined make it very satisfactory.

In our recent

"CLEARANCE SALE"

we have very much reduced our Carpets. The balance will be sold very low till the new stock arrives.

AYER'S
Ague Cure.

FOR THE SPEEDY CURE OF Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the Malaria of of miasmatic origin.

TIME.

NO ONE REMEDY IS LOUDER CALLED for by the necessities of the American people than a sure and safe cure for Fever and Ague.—Such a remedy we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from, or prevents this disorder must be of immense service in the communities where it prevails. Prevention is better than cure, for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "Cure" expels the miasmatic poison of Fever and Ague from the system and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body, and in bilious districts, where Fever and Ague prevails, every body should have it and use it freely both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of intermittents is, that it contains no Quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorder arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis, and Derangement of Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "Cure" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from intermittents, if they avail themselves of the protection this remedy affords.

SINCE I ORIGINATED THE GIFT BOOK Enterprise, I have repeatedly called the attention of the public to my large stock and liberal offers, to which they have always warmly responded. I can now, with more satisfaction than ever, call attention to my largely increased inducements to purchasers. Being very heavily engaged in publishing, I exchange my own publications for those of other houses, and am enabled to procure all my books at the original cost of making, and thus can and do supply the majority of the other houses engaged in the Gift Book Trade, with their books, cheaper than they can procure them from other publishers. I can also by my heavy purchases of Watches and Jewelry, for cash, furnish them with their gifts at lower rates than they can buy them from the manufacturers.

Having such an advantage in buying, I can insure my customers better gifts with their books than any other house, and can give my Agents a larger commission. A valuable gift will be delivered with each book at the time of sale. Gifts worth $500, at the lowest wholesale prices, will be impartially distributed with every $1,000 worth of Books sold.

Send for a Catalogue, which will be mailed free to any address, containing the most valuable collection of Standard productions in Literature, Philosophy, History, Geography, Travels and the Sciences, with all the favorite works of Fiction and Romance, and every other department of Literature, classified as described below. And if any are deceived and cheated by them, they should not be so unjust as to condemn me along with them, for they are base imitators of an enterprise that has cost me an immense amount of time and money to place in the position which it now occupies, commanding an extensive and increasing trade, approved and endorsed, with the most entire freedom and confidence, by the leading Publishing Houses in
