Something New, True, Intelligible and Important FOR THE CURE OF THE SICK.

Electropathy
— AND —
ELECTRO-THEROPUTIC BATHS.

S. D. JONES, M. D., tenders his professional services to the sick and afflicted of Terre-Haute, for a careful diagnosis, and treatment of all diseases of a chronic or nervous character. He brings to his aid a new application of the most powerful of all agents, ELECTRICITY. Dr. J. would here state that he is not introducing a system based upon uncertainty and doubt, but one at all times reliable and has been tested by thousands. His especial claims are as follows: First, In determining the condition of the body or an organ by an electric diagnosis, which points out the character and locality of the disease. Second, The specific action of Electricity upon the body. Third The distinctive influence of the two polarities; the inward and the outward; and lastly, The scientific application of the two polarities to diseased states of the body, treating each state according to its requirements, and the fixed laws which govern the action of electricity. When these principles are understood and strictly carried out, it is no matter of doubt or guesswork, but the ability to cure no mystery.

The following diseases are speedily and permanently cured:

Neuralgia, Rheumatism, Stiff Joints, Consumption, Brochitis, Dyspepsia, Liver Complaints, Paralysis, Catarrh, Asthma, Piles, Ulcers, Tumors, all Skin Diseases, Spinal Curvatures, Weak & Inflamed Eyes, Palpitation of the Heart, Contracted Muscles, Seminal Weakness, Impotency, Ague, Typhoid Fever, Deafness, Fits, Dropsy, St. Vitus' Dance

AND ALL

DISEASES INCIDENT TO FEMALES.

The above diseases are under the especial control of the electrical agent, which never fails in any reasonable case to effect a permanent cure. All shocks and irregular currents are avoided, which tend to excite and irritate the nervous system, producing a soothing and mild sensation to the most delicate nerve.

Those suffering from the above diseases and have failed to obtain relief from all other means should not fail to call and witness cures performed by this most powerful agent. Hundreds of years standing are sometimes removed in a single application.

If Physicians Will Use It, why is it not Safe for the People?

CINCINNATI, Nov. 2.

MESSRS. A. L. SCOVILL, & Co.,

Dear Sirs—The public generally are fully aware of the thousands of remedies for diseased Lungs, under the titles of Sarsaparillas, Pills, Plasters, Liniments, etc., that are daily brought to their notice through the newspapers, by way of advertisements. My object in writing this note for publication is to induce the public, or at least those who are afflicted (if they will use patent medicines) to use one that contains articles of real use in pulmonary diseases, I am conscious in so doing I am acting most unprofessionally, and derogatory to the interests of medical science and the regular practitioners of medicine.

The medicine to which I refer is "Dr. Hall's Balsam for the Lungs." I have prescribed it in a large number of cases, and always with success. One case in particular to which I wish now to refer, was given up by several physicians who had been called in consultation with myself. The patient had all the symptoms of confirmed consumption, such as cold night sweats, hectic fever, harrassing cough, with continued pain in the lobe of the right lung, attended with severe diarrhea! He commenced immediately to get better by the use of the above medicine, and was soon restored to his usual health! I have also found Dr. Hall's Balsam the most valuable expectorant for breaking up distressing coughs and colds that I have ever used.

W. D. WRIGHT, M. D.

MORE PHYSICIANS' TESTIMONY.

We, the undersigned Physicians of Cincinnati certify that Dr. Wright's statements are entitled to the fullest confidence of the public, and we can fully corroborate what he has said, having used Dr. Hall's Balsam in a number of cases with the happiest effect.
