AYER'S CHERRY PECTORAL.—This invaluable remedy for all diseases of the Throat and Lungs, has attained a celebrity from its remarkable cures, never equalled by any other medicine before. Other preparations have shown themselves palliatives, and sometimes effected notable cures, but none has ever so fully won the confidence of every community where it is known.—After years of trial in every climate, the results have indisputably shown it to possess a mastery over this dangerous class of diseases, which could not fail to attract the attention of Physicians, Patients, and the public at large.

See the statements, not of obscure individuals and from far distant places, but of men who are known and respected throughout the country.

The widely celebrated Surgeon, Dr. Valentine Mott, of New-York City, says:

"It gives me pleasure to certify the value and efficacy of 'Ayer's Cherry Pectoral,' which I consider peculiarly adapted to cure diseases of the throat and lungs."

Dr. Perkins, the venerable President of the Vermont Medical College, one of the eminently learned physicians of this country, writes, The Cherry Pectoral is extensively used in this section, where it has shown unmistakable evidence of its happy effects upon pulmonary diseases.

Rev. John D Cochrane, a distinguished Clergyman of the English Church, writes to the proprietor from Montreal, that "he has been cured of a severe asthmatic affection, by Cherry Pectoral." His letter at full length, may be found in our Circular, to be had of the Agent, and is worth the attention of asthmatic patients.

Where the Cherry Pectoral has been once used, no doubt remains of its virtues and ability to cure diseases of the Lungs.

REV. DR. STICKLAND'S AMERICAN FAMILY PILLS are undoubtedly the best vegetable compound ever discovered for the cure of Liver Complaints, Jaundice, Piles, Costiveness, Dyspepsia, Sallow Complexion, Sick Headache, Bitter Taste, Dropsy, Kidney Affections, Gravel, Rheumatism, Intermittent Fever and Ague, Influenza, Colds, &c. Being in strict accordance with the unalterable laws of creative Providence, and a knowledge of Anatomy and Physiology, the Doctor is convinced that the same Almighty Being has created in the vegetable world a remedy for every disease that flesh is heir to. Anatomy teaches that the human body contains many important organs called glands, each of which is employed in secreting from the blood its own appropriate fluid, the chief of which is the Liver, Kidneys, Salivary and Glandular bodies connected with the pores of the skin. The Liver and Salivary Glands secrete from the blood those fluids that carry on the work of digestion, and thus promote the healthy action of the bowels. The kidneys and skin secrete from the blood those deleterious impurities which, if obstructed, will produce many diseases, and health be entirely impaired. Now, this vegetable compound attacks the liver, stimulates it to action, removes its diseases, corrects the bilious and digestive organs, causing the kidneys to act, and opening the pores of the skin. Hence the "Purification of the Blood," whereby perfect health is restored. For convincing proof of the above the Doctor requests a perusal of his pamphlet, setting forth most fully the philosophy of their action, with full directions and certificates of unparalleled cures. Office 153 Fulton-st., New York, and sold by venders of medicine generally. m22 3mMWS*

LIVER COMPLAINT.—Jaundice, Dyspepsia, Chronic or Nervous Debility, Disease of the Kidneys, and all diseases arising from a Disordered Liver or Stomach, such as constipation, inward piles, fullness or blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fullness or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, fluttering at the heart and choking, or suffocating sensations when in a lying posture, dimness of vision, dots or webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c., sudden flushes of heat, burning in the flesh, constant imagination of evil, and great depression of spirits, can be effectually cured by Dr. HOOFLAND'S CELEBRATED GERMAN BITTERS, prepared by Dr. C. M. Jackson, at the German Medicine Store, 120 Arch-st., Philadelphia.

Their power over the above diseases is not excelled, is equaled, by any other preparation in the United States, as the cures attest, and in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

READ AND BE CONVINCED.

Judge M. M. Noah said in his Weekly Messenger, Jan. 8, 1850:

"*Dr. Hoofland's German Bitters.*—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times—the late Dr. Wilhelm Hoofland, Professor to the University of Jena, private physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventor and inventor may be confidently relied on. He specially recommended it in Liver complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, the Liver and the Intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances, we feel warranted, in not only calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The *Philadelphia Saturday Gazette*, the best family newspaper published in the United States. The editor says:

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after it has done its guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

They can be administered to FEMALES or INFANTS with safety and reliable benefit at any time.

CHICAGO and GALENA TEN PER CENT. RAILROAD BONDS, $25,000.—The subscriber offers for sale $25,000 of the Bonds of the Chicago and Galena Railroad, bearing Ten per cent interest, under authority from the Legislature, payable in New-York, and the principal convertible in the stock of the Company any time within four years.

This Road forms a link in the great chain of roads from the Atlantic cities to the Mississippi River, and possesses also a very valuable local traffic. It is one of the cheapest roads in the world, having cost but about $10,000 per mile to Elgin, to which place it is completed from Chicago.—The last dividend of this Company was eight per cent for six months on the finished portion of the Road.

The Bonds above-mentioned are a portion of those issued for the purpose of extending the Road to Belvidere, to which point it is under contract.

These ten per cent. Bonds are for sale in amounts of $500 and $1,000, at 106 per cent with interest from 1st May next, and furnish the cheapest perfectly safe security on the market.

Further particulars can be obtained of the subscriber.
