OLD and YOUNG

AFFIRM ITS TRUTH,

VIZ: THAT

Professor Wood's Hair Restorative

WILL preserve, *infallibly*, the *growth* and *color* of the Hair, if used two or three times a week, as any imaginable age. Perfectly restore the gray; cover the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp free from all disease, to the greatest age. Statesmen, Judges, Attorneys, Doctors, Clergymen, Professional Men, and Gentlemen and Ladies of all classes, all over the World, bear testimony that we do not say too much in its favor. Read the following and judge:

PROFESSOR S. THALBERG, PIANIST, says, on his arrival in the United States he was rapidly becoming gray, but on applying Wood's Hair Restorative his hair soon recovered its original hue.

CHARLES CARDEW, 174 NASSAU ST., N. Y., says the gray hairs on his wife's head were after a few weeks trial, turned into a dark brown, at the same time beautifying and thickening the hair.

A. C. RAYMOND, BATH, MAINE, says he is now sixty years old, and his hair and whiskers were two-thirds gray, but by the use of two bottles of restorative the gray hairs have disappeared, both on his head and face, and is more soft and glossy than for twenty five years previous. His wife of the age of fifty-two, has used it with the same effect.

FINLEY JOHNSON, ESQ., N. O., says that he lost his hair by the yellow fever, in 1854. Housed Wood's Hair Restorative, and his hair is now thick and glossy.

S. M. MIDDLETON, LIVINGSTON, ALA says the Restorative has done much good in his part of the country. He used it for baldness, and now has a fine head of hair.

T. L. MORSE, LEBANON, KY., says he has Wood's Hair Restorative used in hundreds of cases, and never knew it to fail to accomplish all it professes to do.

A. J. ALDEN, McLANESBORO, ILL., says he had the scald head eight years, and was bald, but by the liberal use of Wood's Hair Restorative, he now has a rich, glossy head of hair.

If Physicians Will Use It, why is it not Safe for the People?

CINCINNATI, NOV. 2.

MESSRS. A. L. SCOVILL, & CO.,

Dear Sirs—The public generally are fully aware of the thousands of remedies for diseased Lungs, under the titles of Sarsaparillas, Pills, Plasters, Liniments, etc., that are daily brought to their notice through the newspapers, by way of advertisements. My object in writing this note for publication is to induce the public, or at least those who are afflicted (if they will see patent medicines) to use one that contains articles of real use in pulmonary diseases. I am conscious in so doing I am acting most unprofessionally, and derogatory to the interests of medical science and the regular practitioners of medicine.

The medicine to which I refer is "Dr. Hall's Balsam for the Lungs." I have prescribed it in a large number of cases, and always with success. One case in particular to which I wish now to refer, was given up by several physicians who had been called in consultation with myself. The patient had all the symptoms of confirmed consumption, such as cold night sweats, hectic fever, harrassing cough, with continued pain in the lobe of the right lung, attended with a severe diarrhea! He commenced immediately to get better by the use of the above medicine, and was soon restored to his usual health! I have also found Dr. Hall's Balsam the most valuable expectorant for breaking up distressing coughs and colds that I have ever used.

W. D. WRIGHT, M. D.

MORE PHYSICIANS' TESTIMONY

We, the undersigned Physicians of Cincinnati certify that Dr. Wright's statements are entitled to the entire confidence of the public, and we can fully corroborate what he has said, having used Dr. Hall's Balsam in a number of cases with the happiest effect.
