REV. DR. STICKLAND'S AMERICAN FAMILY PILLS are undoubtedly the best vegetable compound ever discovered for the cure of Liver Complaints, Jaundice, Piles, Costiveness, Dyspepsia, Sallow Complexion, Sick Headache, Bitter Taste, Dropsy, Kidney Affections, Gravel, Rheumatism, Intermittent Fever and Ague, Influenza, Colds, &c. Being in strict accordance with the unalterable laws of creative Providence, and a knowledge of Anatomy and Physiology, the Doctor is convinced that the same Allwise Being has created in the vegetable world a remedy for every disease that flesh is heir to. Anatomy teaches that the human body contains many important organs called glands, each of which is employed in secreting from the blood its own appropriate fluid, the chief of which is the Liver, Kidneys, Salivary and Glandular bodies connected with the pores of the skin. The Liver and Salivary Glands secrete from the blood those fluids that carry on the work of digestion, and thus promote the healthy action of the bowels. The kidneys and skin secrete from the blood those deleterious impurities which, if obstructed, will produce many diseases, and health be entirely impaired. Now, this vegetable compound attacks the liver, stimulates it to action, removes its diseases, corrects the bilious and digestive organs, causing the kidneys to act, and opening the pores of the skin. Hence the "Purification of the Blood," whereby perfect health is restored. For convincing proof of the above the Doctor requests a perusal of his pamphlet, setting forth most fully the philosophy of their action, with full directions and certificates of unparalleled cures. Office 138 Fulton-st., New-York, and sold by venders of medicine generally. m28 3mMWS*
