It is a fact long since established, that persons suffering with any disease of these organs are affected in bodily health and mental powers, and experience many alarming symptoms, among which will be found: Indisposition to Exertion, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nervous Trembling, Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, often Enormous Appetite, with Dyspeptic Symptoms, Hot Hands, Flushing of Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pains in the Back, Heaviness of the Eyelids, frequently black spots flying before the eyes, with temporary suffusion and Loss of Sight, Want of Attention, Great Mobility, Restlessness. These symptoms, if allowed to go on, which this medicine invariably removes, soon follow—Loss of Power, Faculty and Epileptic Fits.

Who can say that these excesses are not frequently followed by those direful diseases, INSANITY and CONSUMPTION. The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness of the truth of this assertion.

THE NEW TREATMENT OF CONSUMPTION.

MOST EXTRAORDINARY RESULTS.

The attention of sufferers, whether in the incipient or advanced stages of Consumption, is directed to the following evidence of the invariable efficacy of

WINCHESTER'S GENUINE HYPOPHOSPHITES!

From a physician of extensive reputation and practice, for the last twenty years, in Chester Co Penn:

CHATHAM, PA., 3d Month, 26th, 1860.

FRIEND J. WINCHESTER:—At the time of receiving your letter requesting a report of the cases in which I had used the Hypophosphites, I was very much engaged, both night and day.

Many of the persons who have taken Hypophosphites have not been under my immediate care; but most of them I have had an opportunity of examining previous to their commencing the treatment.

Thirty six persons have obtained the medicine from me, twelve of whom have been under my own care. Five of them were, in my opinion, saved in the judgment of other physicians, hopeless cases of Phthisis—irritable cough, copious expectoration of a purulent character, night sweats and emaciation. These cases were from one to three years' standing. Auscultation and percussion developed sounds, which taken in connection with other symptoms, gave evidence of a condition from which the great majority of long seventeen years' practice, seen a single case recover by any other treatment. Under the use of the Hypophosphites, all the bad symptoms ceased as they have gained Flesh, and strength and Health—some of them better than they have enjoyed for seven years previously.

The other cases under my care were in the incipient stage, and in them all symptoms or trace of the disease have disappeared. Of those who were not under my care I have heard a single patient who did not express himself benefited by the use of the Remedy; although in some of them the disease was too far advanced to admit the possibility of recovery.

I presume I am as skeptical in medicines, or Specifics, as most Physicians; yet, from the experience I have had in the use of Dr. J. F. Churchill's Remedy for Tuberculosis, I would say to all who have any tendency to that disease, take it and the sooner the better. Before there is disorganization. W. W. TOWNSEND, M. D.

WINCHESTER'S GENUINE PREPARATION

Is the only reliable form of the 'Hypophosphites' and is put up in 7 and 16 ounce bottles, at $1 & $2 each. Do not confound this remedy with the Phosphates or 'Chemical Food,' and avoid all preparations of Lime, Cod Liver Oil, &c., which are injurious or useless in Pulmonary diseases. Sold by all respectable Druggists, and wholesale and retail, at the sole General Depot, by

OLD and YOUNG

AFFIRM ITS TRUTH.

VIZ: THAT

Professor Wood's Hair Restorative

WILL preserve, *infallibly*, the *growth* and *color* of the Hair, if used two or three times a week, to any imaginable age. Perfectly restore the gray; cover the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp free from all disease, to the green old age. Statesmen, Judges, Attorneys, Doctors, Clergymen, Professional Men, and Gentlemen and Ladies of all classes, all over the World, bear testimony that words not strong enough in its favor. Read the following and judge;

PROFESSOR S. THALBERG, PIANIST, says, on his arrival in the United States he was rapidly becoming gray, but on applying Wood's Hair Restorative his hair soon recovered its original hue.

CHARLES CARDEW, 11 NASSAU ST., N. Y., says the gray hairs on his wife's head were after a few weeks trial, turned into a dark brown, at the same time beautifying and thickening the hair.

A. C. RAYMOND, BATH, MAINE, says he is now sixty years old, and his hair and whiskers were two-thirds gray, but by the use of two bottles of restorative the gray hair have disappeared, both on his head and face, and is more soft and glossy than for twenty five years previous. His wife of the age of fifty-two, has used it with the same effect.

FINLEY JOHNSON, ESQ., N. O., says that he lost his hair by the yellow fever, in 1854. He used Wood's Hair Restorative, and his hair is now thick and glossy.

S. M. MIDDLETON, LIVINGSTON, ALA says Wood's Restorative has done much good in his part of the country. He used it for baldness, and now has a fine head of hair.

T. L. MORSE, LEBANON, KY, says he has Wood's Hair Restorative used in hundreds of cases, and never knew it to fail in accomplishing all it professes to do.

A. J. ALDEN, MCLANESBORO, ILL., says he had the scald head eight years, and was bald, but by the liberal use of Wood's Hair Restorative, he now has a rich, glossy head of hair.

DR. ROBACK'S

SCANDINAVIAN REMEDIES.

WHEN DR. ROBACK, THE CELEBRATED Swedish Physician, introduced his Blood Purifier and Blood Pills to the United States, he set forth in plain language their curative properties. This was years ago. The task of recommending them has since been taken on of his hands. Enlightened men whose character for sound judgment and philosophy, gives their opinions weight in the community, men who observe, reflect, and make assurance doubly sure before they decide—are everywhere approving and urging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who chose to investigate for themselves are now of one mind on this important subject.

Dr. Roback invites the attention of the sick to the

EYE WITNESSES.

These parties may be consulted personally or by letter, by those who have any doubt upon the subject. The evidence in the possession of Dr Roback, which is at all times accessible to the public, establishes the following

and restore the health and strength of the sufferer. That

SICK FEMALES,

who have languished for years in helpless weakness and despondency, recuperate with great rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gently stimulating properties. That they recruit

SHATTERED CONSTITUTIONS,

however they may have been trifled with and abused; that their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the poison of disease in the blood, they

CAUSE SOON TO HEAL,

and discharge from the system, every taint o Scrofula, whether hereditary or otherwise. That they

RECRUIT THE DEBILITATED,

and that there is no disease of the Stomach and Bowels, the liver, the nervous system, the skin, glands or muscles,

ARISING FROM IMPURITIES OR OBSTRUCTIONS IN THE BLOOD OR SECRETIONS,

in which they do not give prompt relief, and, if administered before the very citadel of life has been invaded,) effect a painless and perfect cure
