WOMEN AND WORK.

A Caution Against Fraudulent Advertisements, Issued by the Women's E. and I. Union of Boston.

The Women's Educational and Industrial Union of Boston, Mass., cautions all women to be wary of advertisements and circulars promising—on receipt of a certain sum—work at home, with large earnings. We are receiving letters from women far and near who have been defrauded by these promises. Either the person forwarding the money gets no answer at all, or the materials and implements sent are of little worth, or the finished work is rejected even if well done, or other obstacles are placed in the way, (the object being simply to get rid of her). The parties advertising make frequent changes of name and address, with some difference in circulars. They are now sending out through the United States, Canada and the Provinces, hundreds of thousands of plausible circulars, well calculated to deceive, for not many of the hundreds of thousands of women receiving them are aware that by a single advertisement any city firm can get plenty of workers close at hand.

Learning that this evil can best be checked by enlightening the public, we solicited the aid of the press, and the following continuous notice appears in our daily papers, each in turn giving it one week's insertion:

"The Women's Educational and Industrial Union, 34 Boylston street, will gladly give information regarding circulars and advertisements offering to women work at home."

It is earnestly desired that newspapers everywhere help to enlighten the public by copying the whole of this present article and by giving the above notice, or a similar one, frequent insertions; also that Women's Associations, variously located, join us in this work, and by suitable advertising make themselves known as centers of information. Any needed assistance from us will be gladly rendered. Individuals can aid by procuring the insertion of this article in their local papers.

Such general concurrence of effort will save multitudes of women from sorrow and loss, work effectively against the swindlers and promote the interests of the honest advertisers.

MRS. ABBY MORTON DIAZ,
President Women's E. and I. Union.

Address letters to our Employment Department.

—Ohio is preparing a roster of her soldiers in the Mexican war and the rebellion. It will make quite a book, as it will contain the names of 310,000 Ohio men who served in the Union army and navy. Among the names to be found on the roster will be those of Grant, Sherman, Sheridan, McClellan, McPherson, Mitchell, Rosecrans, Garfield, Buell and McDowell.—*Cleveland Leader.*

Stranger than Fiction

are the records of some of the cures of consumption effected by that most wonderful remedy—Dr. Pierce's "Golden Medical Discovery." Thousands of grateful men and women, who have been snatched almost from the very jaws of death, can testify that consumption, in its early stages, is no longer incurable. The Discovery has no equal as a pectoral and alterative, and the most obstinate affections of the throat and lungs yield to its power. All druggists.

DYKE'S BEARD ELIXIR

March April May

Are the months in which to purify your blood, and for this purpose there is no medicine equal to Hood's Sarsaparilla. It purifies, vitalizes, and enriches the blood, removing all trace of scrofula or other disease. It creates an appetite and imparts new strength and vigor to the whole body.

"When I began taking Hood's Sarsaparilla I was dizzy in the morning, had a headache, and no appetite; but now I can hardly get enough cooked to eat." EMMA SHEPARD, 1 Coral Street, Worcester, Mass.

Hood's Sarsaparilla

"I take Hood's Sarsaparilla for a spring medicine, and I find it just the thing. It tones up my system and makes me feel like a different man. My wife takes it for dyspepsia, and she derives great benefit from it. She says it is the best medicine she ever took." FRANK C. TURNER, Hook & Ladder No. 1, Friend Street, Boston, Mass.

"I have taken Hood's Sarsaparilla for dyspepsia, which I have had for the last nine or ten years, suffering terribly. It has now entirely cured me." MRS. A. NORTON, Chicopee, Mass.

"Last spring my whole family took Hood's Sarsaparilla. The result is that all have been cured of scrofula, my little boy being entirely free from sores, and all four of my children look bright and healthy as possibly can be. I have found Hood's Sarsaparilla also good for catarrh. Nothing did me so much good as Hood's Sarsaparilla." WM. B. ARMSTROY, Passaic City, N. J.

"I have used Hood's Sarsaparilla in my family and consider it a splendid blood purifier." J. P. WILSMITH, North 7th Street, Brooklyn, N. Y.

Purifies the Blood

"My wife thinks there is nothing like Hood's Sarsaparilla, and we are never without it in the house." F. H. LAYTHER, Syracuse, N. Y.

"When I bought Hood's Sarsaparilla I made a good investment of one dollar in medicine for the first time. It has driven off rheumatism and improved my appetite so much that my boarding mistress says I must keep it locked up or she will be obliged to raise my board with every other boarder that takes Hood's Sarsaparilla." THOMAS BURRELL, 99 Tillary Street, Brooklyn, N. Y.

Scrofula of Lungs.

I am now 49 years old, and have suffered for the last fifteen years with a lung trouble. I have spent thousands of dollars to arrest the march of this disease; but temporary relief was all that I obtained. I was unfit for any manual labor for several years. A friend strongly recommended the use of Swift's Specific (S. S. S.), claiming that he himself had been greatly benefited by its use in some lung troubles. I resolved to try it. The results are remarkable. My cough has left me, my strength has returned, and I weigh sixty pounds more than I ever did in my life. It has been three years since I stopped the use of the medicine, but I have had no return of the disease, and there are no pains or weakness felt in my lungs. I do the hardest kind of work. T. J. HOLT.
