Real Estate For Sale.

TO CAPITALISTS, EMIGRANTS, MECHANICS, and OTHERS.—Three Thousand Acres of VALUABLE LAND lying at, near, and around MEDFORD STATION and BROOKHAVEN VILLAGE SITE, on the Long Island Railroad, FOR SALE. This is a tract of Land situated in the Township of Brookhaven, Suffolk County, Long Island, laid out on both sides of the Long Island Railroad.

Medford Station is 55 miles from Brooklyn. At present it is the point of communication by Railroad between New-York and the villages of Patchogue, Port Jefferson and Bellport, as well as other smaller places, and is one of the most important way points on the road. The Station is four miles from Patchogue and ten from Port Jefferson. As is well known, the Long Island Railroad is one of the established routes between New-York and Boston.

The soil embraces every variety, from pure loam to slightly loamy sand, is susceptible of the highest cultivation, and, from the facilities for obtaining sea-weed and fish for manure, as well as materials for compost, it is in every respect adapted to modern agriculture.

The tract is covered with an oak and pine growth of various sizes, and on it are many thousands of cords of wood, large enough for the New-York market. There is also some valuable building timber. Water of the best quality is easy of access.

The southerly boundary is 11 miles from the center of Patchogue; the northerly 9 miles from Long Island Sound. There are mills, schools and churches within a few miles, and the country around is fast filling up. It is estimated that within a year over 300 persons have purchased lands in the immediate vicinity, for the purpose of improvement. In every respect these Lands are worthy the attention of Emigrants, Farmers, Mechanics and others.

For the convenience of purchasers, the property has been divided as nearly as possible into TEN-ACRE LOTS, which will be sold singly, with the privilege of one or more of the adjoining Lots. The prices have been graduated from $75 to $400 for a Lot of ten acres and upward.

Communication with the Railroad is by way of the Medford Station, where a person will always be in attendance on the arrival of the morning train from Brooklyn, and wait on purchasers.

A capitalist or body of emigrants would be treated with for the whole property.

The parties interested in these Lands have for sale 3,000 acres of other Land, including several highly productive Farms, in the vicinity, which they offer on reasonable terms. The titles are indisputable.

For terms of sale, further particulars, and maps of the property, apply to EMERSON & PRICHARD, Attorneys at Law, No. 10 Wall-st., New-York, or to persons on the premises. Communications by letter must be addressed, post-paid, to Messrs. EMERSON & PRICHARD.

The trains leave Brooklyn at 9 A. M. and 4 P. M., and arrive at Medford at 12 M. and 7 P. M. Leave Medford at 5h. 30m. and 1h. 45m. P. M., and arrive at Brooklyn at 8h. 30m. A. M. and 3 P. M. s24 1m
