## ANNOUNCEMENTS.

| | |
|---|---|
| For announcing candidates for: | |
| County offices, | $2.50 |
| District offices, | 5.00 |

Strictly in advance.

FOR CONGRESS.

We are authorized to announce HON. GARRETT S. WALL, of Mason county, as a candidate for Congress in this the 9th Congressional District, subject to the action of the Democratic party.

We are authorized to announce HON. S. S. SAVAGE, of Floyd county, as a candidate for Congress in this the 9th Congressional District subject to the action of the Democratic party.

FOR CIRCUIT CLERK.

We are authorized to announce A. J. CONLEY as a candidate for Circuit Court Clerk of Lawrence Co., subject to the wishes of the voters of the county.

SUPERINTENDENT SCHOOLS.

We are authorized to announce H. T. LYTTELTON, a candidate for Superintendent of Schools, of Lawrence county, subject to the action of the Democratic Party.

We are authorized to announce JOHN L. HIBBARD a candidate before the Board of Commissioner for the office of Superintendent of Public Schools of Lawrence County.

FOR POLICE JUDGE.

We are authorized to announce HENRY WISE FERGUSON a candidate for Police Judge of Louisa.

Rev. Dr. Sundeland received a $100 fee for tying the matrimonial knot for Mr. Cleveland.

Maysville Saturday, by a popular vote, subscribed $50,000 to the Maysville and Big Sandy railroad, now being constructed by Mr. Huntington.

Senator Kenna, of West Virginia, has consented to serve as Chairman of the Democratic Congressional Campaign Committee. He should have accepted in the first place, without any juggling over it.

Hon. K. F. Prichard and Judge W. C. Ireland were at Grayson Monday, addressing the people of Carter county in behalf of Judge Brown.

As the days go by we hear still less of the opposition formerly offered to Judge Brown, and in its stead comes evidences of his growing popularity.

It is said that Judge Ward will have an opponent for re-election in the person of Hon. J. J. Nesbitt, of Bath County. Mr. Nesbitt was one of the strongest members of the last Legislature, and is a lawyer of established reputation.

The Shah of Persia has granted concessions to ex-United States Minister Winston for the construction of railroads between Teheran, the capital of Persia, and Bushire and Meshad, near the Afghan frontier, with such branches as may be necessary for the developement of business along the main lines. Mr Winston has twenty years in which to develope the riches of Persia, which is better than being United States Minister.

Hon. C. Bascom, of Bath county, has announced himself as a candidate for Congress in this the 9th district. Mr. Bascom has represented his county in the Legislature, besides holding public trusts in his county, and should he receive the nomination and be elected will make an able representative in the National Congress.

The Owingsville Outlook, in presenting his name to the Democracy of the district has to say concerning him: "A gentleman, both by breeding and by instinct, and a nobleman by nature, he commands the respect and esteem of all who know him, and the unbounded admiration of his intimate friends. Added to these qualities is a cool, unerring judgment to discern the right; and no Cæsar ever had more boldness to maintain it."—Bracken Democrat.

If Lawrence County intends to have a candidate for County Superintendent of Public Schools it is time one was announced. It was intended by the framers of our County Commissioner bill to have our School Superintendent elected by the Commissioner, but in the light of subsequent legislation the State Superintendent has decided the people must elect. In sober truth, however, it matters very little whether we nominate a candidate or not. A people who would elect such a man as the present incumbent deserves to be compelled to endure him. School matters in Lawrence is in a deplorable state but the enlightened(?) voters brought this condition upon themselves. The Superintendent is the choice of a majority of our people, and the majority should govern.

We understand that if the election is left to the people Dr. Wroten will not be a candidate.

The opinion prevails at Washington that if the Educational bill can be fairly placed before the House it will be passed by a decisive vote—some of its friends claim by a two-thirds majority.

Well, why can not this bill be placed fairly before the House? In legislative bodies the minority occasionally defeats the majority by filibustering or trickery. The committee in charge of a bill may be packed against it, and decline to report in proper time. The presiding officer may be against the bill and his rulings obstruct its passage.

The Senate, by a decided majority, swelled by the votes of leading Democrats, is on record for this beneficent measure. The House, by a test vote on taking the bill from the control of a committee, which had shown itself inimical to the measure, declared itself for the bill. The people are for it; and its friends in Congress have only to stand fast, and it will sooner or later become the law of the land.—Commonwealth.

NATIONAL HOTEL,
WASHINGTON, D.C., June 10, 1886.

To the Farmers of Kentucky:

As you are aware, we are engaged in an earnest far-reaching effort to regulate the manufacture and sale of imitations of butter. We have succeeded in passing our Bill through the House of Representatives after a most desperate fight against us by the bogus butter people. The question effects every owner of a cow in the country. The result of our effort means the salvation or the destruction of the dairy industry. It therefore concerns every farmer in the land.

Our Bill has been reported to the Senate, where we won a victory in its behalf yesterday on the question of reference to the Committee on Agriculture. Senator Beck of your State opposes us with all his power and influence. He does not seem to understand that the farmers of Kentucky want this measure. I therefore urge that every farmer in the State write Senator Beck, requesting him not to oppose the Bill but to support and vote for it, and do this at once, please. We already have the names of hundreds of thousands of farmers to petitions praying for the passage of this Bill.

Very respectfully yours,
JOSEPH H. REALL,
President American Agricultural and Dairy Association.

Be Warned

In time. Kidney diseases may be prevented by purifying, renewing, and invigorating the blood with Ayer's Sarsaparilla. When, through debility, the action of the kidneys is perverted, these organs rob the blood of its needed constituent, albumen, which is passed off in the urine, while worn out matter, which they should carry off from the blood, is allowed to remain. By the use of Ayer's Sarsaparilla, the kidneys are restored to proper action, and Albuminuria, or

Bright's Disease

is prevented. Ayer's Sarsaparilla also prevents inflammation of the kidneys, and other disorders of these organs. Mrs. Jas. W. Weld, Forest Hill st., Jamaica Plain, Mass., writes: "I have had a complication of diseases, but my greatest trouble has been with my kidneys. Four bottles of Ayer's Sarsaparilla made me feel like a new person; as well and strong as ever." W. M. McDonald, 46 Summer st., Boston, Mass., had been troubled for years with Kidney Complaint. By the use of Ayer's Sarsaparilla, he not only

Prevented

the disease from assuming a fatal form, but was restored to perfect health. John McLellan, cor. Bridge and Third sts., Lowell, Mass., writes: "For several years I suffered from Dyspepsia and Kidney Complaint, the latter being so severe at times that I could scarcely attend to my work. My appetite was poor, and I was much emaciated; but by using

AYER'S Sarsaparilla

my appetite and digestion improved, and my health has been perfectly restored."
