DAILY CRESCENT.

Local Intelligence.

RESCUE.—A young man from Claiborne county, Mississippi, who on Tuesday last had for the first time in his life ventured to ride the treacherous mustang on the prairies, was thrown off and fearfully injured, and to make his escape he was obliged to leave the horse behind. The animal, early in the day, for the purpose of self defence, served Gulliver with the stitch and kick he carried in the last mail the departure of the Princess at 5 o'clock, in the morning.

RECORDER'S COURT—First District—Accepts.—Yesterday morning Mr. Dunlap was arrested at 4 o'clock yesterday for having fired upon one Stephens the night before. The parties had been at the theatre together, and had quarrelled—he was drunk, and was ejected from the house. He went home and came back with a pistol, and fired upon Stephens, who was passing at the time, and lodged the ball in his thigh. The wound is not dangerous. Dunlap was fined $100 and costs, and in default of payment was committed to prison.

LOUIS GRIFFIN AND DUNLAP was arrested at 4 o'clock yesterday for having fired upon one Stephens the night before. The examination is indefinitely postponed.

ATTEMPTED ASSAULT.—The examination of J. S. Thomas by W. Wilson, on the charge of counterfeiting, is postponed to Friday.

DRUNKENNESS AND DISTURBANCE.—Michael Cassy, Sarah Jones and Jerome Hughes, were all in a state of drunken disorder at two o'clock yesterday morning, and disturbed their neighbors to such a degree as to require the interposition of the police. They were arrested, and yesterday morning at the tribunal, bonds for future good conduct were required of them.

FOUND ON THE BANK.—W. Meyer was found drunk in Bienville street at 6 o'clock on Tuesday evening. How he came to be in that situation is not known. He was taken to the station, and the bill of costs before the Recorder, yesterday morning, he was fined $1 for his offence, or $2 costs.

DRUNK.—Thomas Black, who asserts that he is free, although black, was arrested at 4 o'clock on Tuesday in Bienville street, by other parties, for being drunk, and for trying to teach the city deputy of a white man Access Law, was taken up to the station-house.

SUSPICION.—John Lewis, arrested at 8 o'clock on Tuesday evening, on the suspicion of having in his possession the stolen property of Mr. Gaudin, in the Fourth Ward, was taken up to the station-house, and locked up for the night.

DRUNKENNESS.—Thomas McGinn, James Quinn, Mason Garrison and Jerome Jones were arrested yesterday morning for drunkenness. Mr. Gaudin, the Fourth Ward police officer, who had charge of the prisoners, gave them a good lecture, and let them go home. FIGHT.—George Barlow, arrested for battering a negro in the face with a brick on Tuesday evening, was fined $1 for the offence.

ASSAULT.—A warrant was issued yesterday morning on affidavit of Mr. Chalkerace of Jefferson, against a negro for the forcible entry of Mr. Tracy's house, and the assault and battery upon the person of Mrs. Tracy. The wife of the man who committed the heavy robbery in Dauphine street, on Monday night, and who had left by the steamer Princess, on Tuesday morning, with the money acquired by her transactions, was seen in the same to have been feloniously obtained.

BOOTLEGGING GROCERY CASES.—The name of the steamboat Cora, from Florida, yesterday charged an individual of the universal name of Jenny, footbills, cigar, Bill, with selling—by having measures of coffee and flour—stuff belonging to the freight of said boat. A search of the premises of said Jenny, South Wa-ter-st, and Bienville-st, ordered to be arrested.

CHARGED WITH MURDER.—Patrick Dougherty, a mulatto, who, yesterday morning, was arrested on suspicion of having been concerned in the murder of Lawrence Dougherty, whose body was found in the levee St. John-road, five days since, was released yesterday morning, and discharged from custody, there being no evidence sufficient in the opinion of the Recorder to justify his detention.

KEEP HER TIGHT.—Ann McKeon, a jewel from the Kaskaskia, who yesterday complained that Mrs. Medrith and Mary Ann Jones had robbed her of a valuable trunk, containing a quantity of wearing apparel, and upwards of $100 in bills, yesterday morning, had deprived of the use of her garments, in the trunk, on the plaintiff, but had not been able to lay upon other trunk!

CHARGED AND DISCHARGED.—Officer Mello yesterday arrested a slave woman, named Lucy, on suspicion of having in her possession a cigar box containing six Spanish dollars, supposed to have been stolen.

TRUE OR NOT.—The telegraph informed us the other day that the convention of Beech Bend church will meet on Friday in the course of the colored man Jerry, in Philadelphia. The News, the Mirror of the dist, speaking of the trial, says:

The result of the trial will be a precedent for a great deal of trouble in the Empire State at least, before it is forty years old. Jerry will stand New York still, and yet the Supreme Court of the State, and the Congress of the United States, will be called upon to settle the question, whether the Fugitive Slave Law is or is not a constitutional law. It is by no means the first of the kind, and it will not be the last.

THE DEATH OF THE CHICKS.—Michael Cassy, Sarah Jones and Jerome Hughes, were all in a state of drunken disorder at two o'clock yesterday morning, and disturbed their neighbors to such a degree as to require the interposition of the police. THE DEATH OF THE CHICKS.—

The rice occurred during the severe storm of that morning, and when Madden was overtaken, his feet and legs were badly frozen and his feet much lacerated by contact with the frozen earth. His flight through West Brookfield, Brookfield, and East Brookfield, in the face of the storm, and almost in a state of nudity, is described (in the Barre Gazette) as frightful, while he moved was almost that of a deer. He was taken back to Warren, and upon being asked where he was going, said he "guessed he was going to sign the pledge."

SHIP CANAL ACROSS THE FLORIDA PENINSULA.—The Jacksonville News quotes a letter from Tampa Bay, dated 16th ult, which states that the party for the survey of the route for the proposed ship canal was assembling there, and would soon commence operations.
