The Directors of the UNITED STATES LIFE INSURANCE, ANNUITY AND TRUST COMPANY OF PHILADELPHIA, have very great pleasure in presenting to their friends and constituents the second highly prosperous and satisfactory exhibit of affairs of the Company for the year now past.

A fund sufficient having been invested to cover the reinsurance of outstanding obligations, as well as all other contingencies called for by the most approved rules of the science of Life Insurance, and as practically followed by responsible Life Insurance Institutions abroad, the Directors of the United States Life Insurance, Annuity and Trust Company are gratified to find that a saving or surplus has arisen upon the year's operations, sufficient to warrant their again declaring that the Policy-holders of this Company shall receive a Bonus of TWENTY PER CEN upon the premiums of all Policies entitled thereto, and which Bonus will (as on the former occasion) be added to the amount insured, or else the present value in money will be paid to the policy-holder at his or her option.

The eminent success which has resulted to the United States Life Insurance, Annuity and Trust Company arises principally from a perseverance in a rigid application of correct Life Insurance business principles, but not this has now been repeatedly substantiate tested by occurrences, it is quite unnecessary to say anything at present, than that observed by the experience of the past, the Directors of the United States Life Insurance, Annuity and Trust Company, in conclusion, beg to assure all interested, that their continued personal attention shall still be given to promote the uninterrupted welfare and prosperity of the Company whose affairs are entrusted to their management.
