GEORGE F. NELSON,

Rally for the Charter Amendments, and against Constitutional City reform. On TUESDAY, the 7th of June, the People are to adopt or reject the amendments to the City Charter, passed by the Legislature at its recent session. The Committee have deposited tickets in favor of these amendments at the places mentioned below, being at least one in every election district. As it is well known that the men who are growing rich upon the corruptions of the City Government, are making arrangements to destroy all the tickets in favor of the amendments which they can reach, the Committee earnestly request every voter to supply himself with tickets previous to the day of election. They also request every man whose associations give him influence beyond his own vote, to take pains to distribute tickets among all he can induce to aid in the good cause of Reform. Remember that the taxes of 1852 amounted to $3,360,511 65, and that for the present year they have increased to $4,174,802 78, and that this increase of $1,791,291 94, in one year, more than 50 per cent, is in addition to a large increase in the permanent debt of the city. The adoption of these amendments will do much to roll back this increase.

The burden of taxation falls upon every man who supports himself. Those who can only hire part of a room, and procure but scanty supplies of the necessaries of life, have to bear a share of the load as well as those who live in large houses and indulge in luxuries. The men who receive and spend these increased taxes are organizing to defeat Reform. If the people who pay increased taxes in increased rents, wish to secure Reform, they must vote.

Tickets procured at either of the places can be voted in any part of the city.
