☞WINER'S CANADIAN VERMIFUGE is free from one great objection to other worm medicines; it contains neither mercury, nor any of its corrosive oxides; and yet it is much more expeditious, and certain in its expulsory action, more so than any of the remedies, so called, that are impregnated with mineral poison.

☞ Be particular and remember the name "Winer's Canadian Vermifuge," this is the only article that can be depended on. Remember this.
