Underlying certain symptoms of eye trouble may be grave disturbances of the general health. Searching and accurate examination will reveal to the trained eye specialist what the causes are. Glasses in some cases may not be needed at all, while in other cases glasses properly fitted, will relieve headaches, and a score of other nervous troubles caused by eye strain. Many people have defective vision and do not know it. Dr. Lowe & Turner have had years of experience as exclusive eye specialists and have acquired a thorough, practical and technical knowledge of their profession. You may feel safe in consulting them. They will be in St. Helens again, Tuesday, June 23rd at the St. Helens Hotel. Don't forget the date. Scores of references.
