WINER'S CANADIAN VERMIFUGE
A CERTAIN REMEDY FOR WORMS.

IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, more than three-fourths of the diseases with which children are afflicted are caused by Worms, and thousands of children die annually from their baneful effects, which might be saved, if the proper remedy had been administered. The success of the preparation which have been recommended as remedies for Worms, has led experience has proved them all more or less ineffectual; the inventor of the WINER'S CANADIAN VERMIFUGE has discovered and prepared a remedy which has never failed to destroy Worms, whenever they have existed. This remedy is now prepared for the first time, and is recommended by the most eminent physicians and respectable individuals in the country. The remedy is

WINER'S CANADIAN VERMIFUGE,
WARRANTED PURELY VEGETABLE.

It is safe in its operation, and unexceedingly pleasant to take. Some of the symptoms which indicate the existence of the Worms in the bowels are as follows: Dry cough, restless in sleep, of a feverish and inflamed skin, sometimes the eyes are hollow and dull, the breath fetid, the upper lip swollen, itching in the nostrils, which causes the patient to pick his nose, the tongue is white, the appetite deranged, the patient sometimes is ravenous, at other times loses his appetite, is liable to starting and grinding teeth in the sleep, the stomach easily deranged, being sometimes nauseous, others loathed, and in some instances is ravenous.
To the following certificates some more might be added, but it is believed that these are sufficient to be convinced of the virtues of WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.

MEDICAL EVIDENCE.

We, the undersigned, having frequently administered a small dose prepared by Mr. John Winer, of the known WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, can honestly recommend it as a safe and efficient remedy for the expulsion of Worms from the intestinal canal.
Licentiate of the R. C. of Surgeons in Ireland, etc.
G. WHELAN,
Member of the R. C. of Surgeons in London, etc.

FROM THE REV. J. FLANAGAN, OF BANBROOK, C. W.
J. WINER—Sir: I have made the trial of your Canadian Vermifuge and with the most perfect success. In my own family, and in every case which has come to my knowledge, the effect has been the same, the administering of your Vermifuge, and never one hour passed before a number, or a dozen worms, of certain, children take it more readily, which is a great gain gained in giving medicine to children.
July 14, 1846. JOHN FLANAGAN.
☞ Physicians generally use our WINER'S CANADIAN VERMIFUGE. This medicine is a simple vegetable preparation, and can be administered with perfect safety and confidence as to the result, as it will always destroy Worms and restore the patient to health.
Over one thousand certificates have been sent to Agents from planters, merchants and physicians, bearing testimony to the efficacy of this infallible remedy. Warranted in all cases.
Prepared only by JOHN WINER, Manufacturing Chemist and Wholesale Druggist, Hamilton, Canada West.

MR. WEIR, better known as "SAM," has been connected with the business for the last ten years, having been connected with the Hollman, which has established the first Oyster Saloon in the Second Municipality, and has served the public and been patronized as the business carried on. With such an experience, and an intuitive desire, attention to serve the public faithfully with the best in his line, "Sam" anticipated his patronage, and will not be disappointed. A service has been expended in fitting up the FASHION and providing the BAR with the CHOICEST LIQUORS that can be procured. SERVANTS, well known to the public, are in attendance, and everything, including the very best Oysters, The LADDER will always be supplied with the CHOICEST PICTURES, and the OYSTERS SERVED are obtained exclusively for this establishment (to insure, no expense or trouble will be spared to render this Saloon worthy the patronage of the liberal and fashionable community). octl4 1f
