LOMBARD & CO'S Boston and New Orleans Line of Packet Ships.—This new line of ships has been expressly built to run between the above ports, and will be found of suitable draft of water; accommodations for passengers, and every effort will be made to give general satisfaction. The line is composed of the following ships:

Cherokee,	415 tons	Capt. J Harding,
Carolina,	400 do	S Lemist,
Charleston,	374 do	D Eldridge,
Columbiana,	625 do	G Barker,
Seaman,	340 do	J Hoyer,
Bombay,	625 do	D Humphrey.

The above ships are all new, of the first class, copper fastened and coppered, commanded by men of great experience, have large accommodations, with a separate ladies cabin; every attention will be paid to passengers, and the very best of stores provided for them.
The packets will be towed up and down the Mississippi, and the strictest punctuality observed in the time of sailing, and should the regular vessels be detained in arriving, other ships equally as good will in all cases be substituted. A share of patronage is solicited, and the agents pledge themselves to accommodate as much as practicable, to receive and forward goods by a brig line at the most moderate charges, and to advance all expenses on goods shipped, if required.
The ships will leave the 1st and 16th of every month. For freight or passage, apply to the agents.

THE Genuine Indian Balsam of Liverwort and Hoarhound, is put up in bottles at the low price of 50 cents each, containing the strength of three ounces of Liverwort, been for the virtues of many other roots and herbs known among the Indians as efficacious in curing pulmonary complaints.
The unrivalled success which has attended the use of this inestimable Balsam wherever it has been introduced, has obtained the confidence and recommendations of respectable physicians, for the cure of coughs, colds, pain in the side, want of rest, spitting of blood, liver complaint, &c.
To whom it may concern. This is to certify that we have in our practice frequently prescribed Mrs Gardner's Indian Balsam of Liverwort and Hoarhound, with a decided good effect: we can therefore, from the knowledge of the materials it is made from, and observation and experience, recommend it as a superior preparation for those affections of the lungs for which it is recommended.
